nod many Philadelphians believe have not been displayed to an extraordinary degree up to date. Several other excellent names have been mentioned from time to time dur-ing the discussion of the proper man be give our Sesqui-Centennial a promi-nence in the mind of the world that its purpose contemplates. But I feel cer-ing that every one of them would join in applauding the choice of such a riant as Charles M. Schwab and in-lerve the Bok idea that he is the logical leader of the splendid project. leader of the splendid project. Many who are aware of the nublic Many who are aware of the public pirit and the patriotism which Mr. Schwab has displayed in positions call-ing for the exercise of genius and talent are inclined to believe he would not decline the post of director general if the call came to him with unstinted pordiality. Of course the salary offered lality. Of course the salary offered Mr. Bok means nothing in the esti-ion of a man of Mr. Schwab's finanmation of a man of Mr. Schwab's inan-tal standing and temperament. What is needed is a hearty and insistent call on him to forgo for a time at least the many business interests that en-rate him and in which he has wrought be marvelously, and to bend his faind not marvelously, and to bend his find and heart and hand to the task of making the observance of America's one hundred and fiftieth anniversary of in-. dependence an event which will rank it above anything that has ever before teen seen in the way of world exposi-tions. The Fate of Condorcet

to the Editor of the Evening Public Ledger Sir-How distressing that our dear ed lovable Dr. Keen should have con-dened Condorcet to the guillotine in the columns of last Saturday's EVENING PUBLIC LEDGER! Indeed, the distinreached scholar and secretary of the French Academy might never have reached the scaffold if he had not taken

on in the belief that he would, in closing days of the terror. It is curious that standard historical

t is curious that standard historical pources in French append no title of bobility to Condorcet's name, while English works do. The French, how-ever, attach the particle to his name. He was of gentle birth. Condorcet was the brother-in-law of Our mother went on pretty bad: Not thinking of me, I was older, you see, But Billy was only a And.

Condorcet was the brother-in-law of Marshal de Grouchy, who is execrated in French annals to this day for his hapse, either by intention or stupidity, But he never grew out of his curis. hapse, either by intention or stupidity, at Waterloo, where Napoleon awaited him in vain. E. P. HENRY. m in vain. E. P. HENRY. Philadelphia, April 17, 1922.

where a doctor claims that Dumas wrote a sequel to "Monte Cristo." I think he is mintaken, ss. I am familiar with all of Dumas' works published by Little, Brown & Co., and no such title appears as written by Dumas. There is a book with the title he mentions, also some with the titles of "Wife of Monte Cristo." "Daughter of Monte Cristo," and "Son of Monte Cristo"; all supposed to be sequels of Dumas work. Clean-Up Week To the Editor of the Svening Public Ledgers SIT-The following is submitted, for pub-lication:

TANKER DOODLE (For Clean-Up Wesk) Tankes Doodle came to town ' Riding on his sprinkler; And everywhere he saw the dust He made it nice and clean, sir

Tankee Doodle keep it up, Tankee Doodle dandy; Mind the dust on windy days And keep your sprinkler handy. and now the dirt is swept in piles

And dumped into the sewer: and soon the children will be well. Diseases will be fewer.

Yankee Doodle, keep it up. Yankee Doodle dandy: Keep your pavement free from trash And always spick and spandy. EDITH SCLIS-COHEN. Philadelphis, April 16, 1922.
