LEGION TO CONDUCT FUNERAL FOR SAILOR William A. Baborsky Will Be Buried in Hillside Cemetery MEMORIAL DAY PLANS ON

The George H. Imhof Post, No. 133 of the American Legion, will conduct the funeral services of William A. Baborsky, for-mer chief boat-swain in the navy, who died in the Veterans' Bureau Hospital at Fort Lyon, Colorado. The funeral will take place at 1:30 o'clock today at the home of William F. Wolf, his grandfather, a member of the Legion, had served twelve years in the navy. He developed tuberculosis after severe attacks of influenza during the war and died April 18. His body arrived in this city Sunday. Burial will be in Hillside Cemetery. A detail from the Navy Yard will attend the ceremonies. The Imhof Post has started a move for the erection of a monument in the Twenty-eighth Ward to those who died in the war.

Due to a lack of a permanent meeting place, the Helen Fairchild Post, No. 412, has held its bi-monthly meetings in various hospitals, on the second Tuesday of each month. The post is composed mainly of ex-service nurses. The May meeting will be held in the Methodist Episcopal Hospital.

The Donald T. Shenton Post, No. 130, Auxiliary Unit, will hold a meeting in its headquarters, the Business Women's League, 1222 Locust street, tomorrow. Members of the Post and Auxiliary Unit will be the guests of the local legionaries on this occasion, and Mrs. Kennedy, chief of the Social Service Bureau U. S. P. H. S., will be the principal speaker. Mrs. William H. Biester, Jr., was recently appointed deputy of the Second Congressional District of the Legion Auxiliary.

The Howard C. McCall Post headquarters will be the scene of a large meeting tomorrow night, when members of all West Philadelphia posts will meet to complete arrangements for a joint observance of Memorial Day. The marshal of the American Legion section and the speaker will be selected. A list of the cemeteries to be decorated by Legion posts is as follows:

Prince Forbes Post, No. 7, Holy Cross Cemetery; McCall Post, No. 20, Woodlands Cemetery; Barry Post, No. 83, and Grace Post, No. 21, Mt. Moriah Cemetery; Green Post, No. 61, and Breen-McCracken Post, No. 270, Old Cathedral Cemetery; Post No. 202, Eden Cemetery, and Post No. 656, Montrose Cemetery.

Lieutenant Joseph S. Ferguson Post will hold its regular meeting tonight in the Third Regiment Armory. The auxiliary will also meet to lay plans for the indoor bazaar and dance to be given on April 27, 28 and 29 for the purpose of securing funds for the post coars. At the recent meeting of the County Council of the Legion Auxiliaries Mrs. Kate R. Kemp, of the Ferguson Auxiliary, was elected president.

The State Fenibles Post will hold an entertainment and dance in Columbia Hall, Broad and Oxford streets, on Wednesday evening, May 10. For a French Cafe," a comedy, will also be presented as a forerunner of the evening's entertainment by members of the Houston Post, of Germantown.

The formal opening of the altered and refurbished headquarters of the Murnan-Bennicker Post, No. 188, will take place Thursday evening, Judge John E. Walsh will preside. The Ladies' Auxiliary, in charge of Mrs. William Davidson, is in charge of the program, which will include several features, with music and dancing at the close of the performance.

The members of the Women's Auxiliary of Post 65, of the American Legion of Lansdowne, and all the mothers of the ex-service men of the borough will be guests of honor at the "mothers' meeting," which is planned by the Albert Clinton Wunderlich Post, of the borough, to be held at the Twentieth Century Club May 2.

NO WARSHIPS FOR CHINA "Tempest in a Teapot." Commander Simpson Asserted

No warships will be sent from the Philadelphia Navy Yard to China to protect American interests in the latest Chinese uprising.

"Tempest in a teapot," said Commander Simpson today, when told that General Tso-lin was preparing to wage war with General Ushiang. "To the best of my knowledge and belief they have been fighting in China since the overthrow of the monarchy. I know because I know China."

"The trouble is that any one in China can easily raise an army. The poor devils in the interior are starving to death, and any one who raises the standard of piety to eat has no difficulty in getting any number of persons to follow his standard. We are not worried here at the Navy Yard about it. The Asiatic squadron can take care of anything that happens in China. If the trouble gets real bad the Pacific squadron would go next and then finally the Atlantic."

The LIONS CLUB of Philadelphia, realizing the important place it has assumed in the business, civic, ethical and social life of this great city, thinks the time most opportune, on this, our second anniversary, to make ourselves better known to the general public in order that there may be a clearer understanding of our purposes, and that our efforts in advancing the principles for which we stand may be more fully appreciated. We, therefore, invite your attention to the following brief summary of LIONISM: Loyalty integrity Oneness Oldness Initiative Success Merit What Lionism Is. Our Principles LION Clubs are non-political, non-sectarian organizations composed of representative business and professional men who feel an interest in the welfare and progress of their city and community. Full and hearty co-operation with all other clubs, the Chamber of Commerce and other civic and commercial organizations, in all movements in the community which seek to promote any betterment, civic, industrial or educational, and any plans looking toward the elimination of class distinction. Promotion of public health, hygiene and sanitation, especially among those who need instruction and guidance in the care and feeding of children. Being an organization thoroughly loyal to our Government, it is our special interest to advance education in the language, customs, ideals and government of our country, especially among adults of foreign birth. Strict adherence to the highest code of ethics in business and social relations. The biggest asset of any nation being its people, one of the cardinal points of Lionism is the cultivation of a spirit of genuine brotherhood among men. The Social Side While the purpose of LIONISM is serious and concerted effort toward better civic and national progress, yet the social side is not overlooked in bringing about this end. Too serious meetings, over business-like methods, too rigid a routine all tend toward defeating the purpose of fraternal spirit. The weekly noon-day Luncheons are bright spots in the drab schedule of business, where the reserve is dropped in the happy comrades of good fellowship, and where one leaves refreshed in body and spirit for another battle with the problems of business and civic life.
