can Club mature. At a business session last night an educational committee was

women investigators, attached to the staff of the local vice squad, testified that she had gazed into their palms and read their future in very good English. Mrs. Mary Adams declared yesterday in the Recorder's Court that she "spoke no English." She is declared to be a native of Russia.

EVENING PUBLIC LEDGER-PHILADELPHIA, TUESDAY,

clared to be a native of Russia.

After predicting to one of the women that several blondes were attempting to break up her home, the seeress, it is charged, offered to straighten out the matter for the sum of \$17, which coincidently, happened to be the amount the "customer" held in her hand at the moment. On the way to police head-quarters, the palmist hinted that it would be worth \$50 to the operators to help her out of the difficulty. Recorder Goldenburg fixed the fine at that figure. First Ever Held in Atlantic City LOSS FROM FIRE

Atlantic City, April 25-With nearly 200 exhibits, the first hotel exposition ever held here was officially opened on no Steel Pier this morning. The affair is under the auspices of the Avenue Hotel Men's Association. A feature of the exposition is a fully equipped kitchen. There a daily luncheon will be prepared and served to the various clvic clubs who will be henor guests.

No longer will voters cast their ballots and they wonder what it was all about the common against Joseph L. Frelinghuysen, the incumbent, will be ignored by the Atlantic County Republican organization. "Personally I favor the renomination of Senator Frelinghuysen," declared Enoch L. Johnson, County Collector, who is recognized as the county leader. While the up-State man is acknowledged to carry a heavy vote in Essex County, leaders here say Mr. Frelinghuysen will be the victor.

> "They have arrested the wrong man." indignantly declared Eugene Raymond, Philadelphia lawyer, who was arrested here Saturday, on a charge of illegally transporting liquor.

appointed, with Martin Herr, a lawyer, as chairman. The committee wiit hold weekly sessions and explain to the members the procedure followed in the making of the laws. While the club consists only of men, women will be weekly sessions and explain to the members the procedure followed in the making of the laws. While the club consists only of men, women will be admitted to the classes.

A nasty fire, which for a time threatened to destroy the Miller Cottage at 9 North Georgia avenue, broke out last night and gave fire companies a hard fight.

The property is a three-story frame affair located in a thickly built section, and is owned by Crouthamel & Mongel, who conduct the hotel. The building has been closed since early

Mengel, who conduct the hotel. The building has been closed since early last fall, and the cause of the blaze is unknown. The damage to the build-WHAT DOES ROCAP SAY? s unknown. The damage to the building and contents was estimated by oficials of the fire department at \$3000.

Second-Floor Garage Burned Out and One Firemen is injured

ALL APPARATUS CALLED OUT

The interior of the second story of he garage of Mrs. L. W. Campbell, at The entry of Mayor Thomas L. Ray. the garage of Mrs. L. W. Campbell, at mond into the fight for the Republican 16-18-20 North Second street, Camden, nomination for the United States Senate was wrecked and twenty of the thirtyfive automobiles in the building were seriously damaged by fire early last night. The loss was estimated at \$12,000, of which \$10,000 was on automobiles. One fireman was injured.

The fire was discovered about 6 o'clock by a watchman at the plant of the Victor Talking Machine Company, across the street from the the garage, who saw flames shooting through the roof of the two-story brick structure. Immediately upon his arrival, Fire Chief Carter sounded three alarms, which brought out almost all the apparatus of the city. At that time one platoon of firemen was being relieved. In comsequence both platoons responded to the alarms and the force was double that which ordinarily would be on duty.

As delegate, Freeholder Tarter acceded Abe Fuhrman, who has been canded Abe Fuhrman, who has been canded Abe Fuhrman, who has been canded Abe Fuhrman, who has been canden's representative to the national body for several terms. Dr. Solomon Grayzel, rabbi of Beth-El Synagogue, Parkside, was elected chairman of the Camden Jewish Congress Committee. Herman Natal was chosen secretary and Hyman Bloom re-elected treasurer.

An application was made in the Comden Court of Chancery yesterday by Lawyer T. Harry Rowland to have a receiver appointed for the Friars' Gas Company, of Maple Shage. It was

Frame buildings on either aide of the garage made the fire appear extremely dangerous. Rapid work by the double force confined the flames to the second floor and extinguished the blaze within an hour and a half.

Hoseman Abraham Cairns, of Engine Company No. 6, was cut by falling glass and was treated at Cooper Hosiptal.

Delegates, representing virtually every Jewish lodge, fraternity and organisation in Camden County, at a meeting last night elected Freeholder Louis Tarter, of the Seventh Ward, Camden, delegate from the Camden district to represent Hebrews of Camden at the American National Jewish Congress, which will convene in Philadelphia next month. As the delegate from Camden, Freeholder Tarter will be among the 400 members of the congress from every part of the United States who will discuss and attempt to solve problems affecting Judaism here and abroad. At the midyear meeting of the Congregation of Sons of Israel Synagogue, Eighth and Sycamore streets, Mr. Tarter was unanimously elected president of the congregation.

As delegate, Freeholder Tarter suc-

Victor supremacy is the supremacy of performance

Where purity of intonation, accuracy of pitch and all other such technical excellences are demanded the Victrola has infinitely more to offer than any other instrument of the sound-reproducing type. It meets the supreme tests of

Performance is the real end of all endeavor, and Victrola performance itself proves not only a knowledge of music nor the mastery of mechanical problems. It involves the highest order of skill in physics, chemistry, acoustics, electrical and mechanical engineering, metallurgy, wood-working, and an endless quantity of scientific experience.

When you buy a Victrola your investment is safeguarded to the utmost, and to buy an instrument which is somewhat less than the best is to depreciate your own dollar.

Victrolas \$25 to \$1500.
