FILM MAN USES RADIOPHONE TO TELL OF PICTURE

By CONSTANCE PALMER Hollywood, Calif.

THE Louis B. Mayer studio writers A are dusting off their bookcases and he bookkeepers are sharpening their lead pencils and oiling up the old adding machine preparatory to an orgy of production, scheduled to start soon. Mr. Mayer holds the film rights not only to wo stage successes, but to several novels each by Harold McGrath, James Oliver Curwood, Kathleen Norris and Frances Nimmo Greene. The last named is the author of John M. Stahl's recently completed feature picture, "One Clear Call," in which an all-star cast was used. I recall at the moment names of such players as Irene Rich, Henry P. Walthall and Claire Windsor.

There is queer coincidence in the fact that the author of the book, Frances Nimno Greene, and Henry Walthall both came from Alabama, where the

story is laid.

Mr. Mayer has taken advantage of the widely publicized radiophone to facilitate the distribution of this particular picture. Instead of relying upon mail or telegraph for his final confirmattion on the continuity of the scenes and effects, the report was broadcast to Mr. Mayer by Watterson B. Rothacker, head of the immense printing and detry over. Holding a copy of the original scenario before them, Mr. Mayer and Mr. Stahl, the director, checked off the continuity at the radio station in the Mayer Studios in Los Angeles. Their O. K. was sent back immedi-ately to Mr. Rothacker in Chicago. Thus, within an hour after the nega-tive had been cut Mr. Rothacker's entire force was making positive prints rom it for distribution

Adelaide Hughes - Mrs. Rupert Hughes in married life—has just written a book of verse which is soon to be published. Meantime Mr. Hughes is busy dashing off photoplays for the Goldwyn Studios (he also directs them). composing songs and writing novels and short stories in his spare time. What with one thing an another, he has little time for truck gardening.

Robert E. Sherwood, caustic and en-tertaining dramatic critic of Life, has been out in Hollywood for the last month trying to get the low-down on all this vice and crime that had been making the evening papers interesting "J. # Increases the action of the intestines

Hundreds of men and women have already found freedom from laxatives by eating Fleischmann's fresh

Doctors are now agreed that properelimination of waste matter should be brought about by food. One doctor comes right out and states plainly that the indiscriminate use of cathartics is one of the causes of constipation.

Physicians all over the country are recommending Fleischmann's fresh yeast because it is a fresh food, rich in those elements which keep the intestines healthy. In one series of tested cases, normal functions were restored in from 3 days to 5 weeks.

Try it out for yourself. Begin to-dayby adding 2or 3 cakes of Fleisch-mann's Yeast to your everyday diet. Keep it up and see how nor-mally and regularly your intestines act. Be sure it's Fleischmann's Yeast—the familar tin-foil pack-age with the yellow label. Place a standing order with your grocer.
