## PENN WINS 7 FIRSTS IN RELAY CARNIVAL

Outscores Every Other Col- What Penn Did in lege; Brown, Woodring, Le Coney and Thomson Feature by Brilliant Run-

FOUR RECORDS FALL

THE twenty-eighth annual Univeradded a bright page to the athletic history of wearers of the Red and Blue. Over the two days of brilliant running captured seven first places, the largest number made by a single college during the meet. Lawson Robertson's troupe of athletes

the meet. Three victories on Friday in the hop, akip and jump, the sprint medley and the 440-yard sprint relay was considered a big share. Yet on Saturday two relay teams breasted the tape winners, one setting up a new world's record, and two individuals brought titles to page.

One world's record was broken, One world's record was broken, three earnival records were shattered and two other carnival records tied on Saturday. In addition, individual athletes running in the relays ran quarters, lalves and miles in near to record-

breaking speed. Captain Larry Brown, of the Univer-Captain Larry Brown, of the University of Pennsylvania team, stands out as the individual star of the two days. On Friday running anchor in the sprint medley Brown covered his half in 1 minute 56 3-5 seconds, considered remarkable time for a man who had stepped off a boat less than a week previously.

on Saturday Brown not only astounded 20,000-odd persons who jammed the stands, but himself, as he afterward said, by running the half in 1 minute 54 seconds, the fastest half-mile minute 54 seconds, the fastest hair-mile run in the relays in many years. Brown's grit, fight and determination in the face of what seemed to be in-surmountable odds enabled the Univer-sity of Pennsylvania to chalk down-an-other world's record by her athletes.

Woodring's Fast Quarter Allan Woodring. 200 meters Olympic champion and star sprinter of Syracuse, gave his team a victory in the one-mile championship by running a race similar to Brown's against Stevenson, of Princeton. Meeting the best quarter-miler indoors and one of the best outdoors, Woodring was forced to do some fast stepping to earn the triumph for the Orange. Like Brown passed Helffrich, Woodring went by Stevenson on the stretch in front of the Penn cheering section, took the lead and raced down the homestretch as though running 100 yards instead of 440. Woodring was clocked in 47 4-5 seconds, the fastest quarter mile run in these United States since Ted Meredith established the record of 47 2-5 seconds. The time of Syracuse for the mile was 3:10 2-5.

Al Leconey, of Lafayette, who is rapidly forging to the front as the best sprinter in the East, was clocked in 9 4-5 seconds in the 100, the first time in twenty years that the event has been run in that time. Many believe that Allan Woodring, 200 meters Olympic

9 4-5 seconds in the 100, the first time in twenty years that the event has been run in that time. Many believe that Leconey, had he been pushed a triffe more than he was, could have tied the world's record of 9 3-5 seconds.

Earl Thompson, making his last appearance as a college athlete, in form as perfect as has been seen on Franklin Field in many years, skimmed across the hurdles in the 120-yard high event in 15 seconds flat, tying the mark made by Bob Simpson.

George Bronder, former Brooklyn Polytechnic all-around star, representing Penn as a varsity man for the first time, heaved the stick in the javelin 187 feet 11 inches, breaking his mark made last year of 183 feet ½ inch.

Rose Wins Broad Jump

Rose Wins Broad Junto Harry Rose, tutored for a month by Dr. Al Kraenzlein, showed that the tutoring had done him a world of good by giving Penn a victory in the broad jump with a leap of 23 feet 4% inches. Fred Chow, the Chinese jumper and hurdler, finished second to this teammate with a leap of 22 feet 10 inches.

mate with a leap of 22 feet 10 inches.

The freshman one-mile team representing Penn upset the dope completely in winning their event in 3 minutes 28 seconds. Matt Keogh, brother of the freshman football coach; Ray Fisher, the former Newark Central star; Jensen, who ran on the Cedar Rapids team last year, and Hayes, formerly of Wilfamsport High, ran in the order named in scoring the triumph.

Notable performanaces by other colleges were many. Virginia, in defeating her old-time rival, Georgetown, broke the record for the South Atlantic conference mile race by covering the dis-

erence mile race by covering the dis-

Rutgers, with a veteran quartet, pped one and one-fifth seconds of own mark made last year in the in State conference race, the file in State 1-5.

The University of Pennsylvania won seven first places in the two-day relay carnival, the largest number earned by any college entered in the meet. Three victories were scored on Friday and four on Saturday. They follow: FRIDAY

tility, entered the discus throw, and, much to the surprise of about a dozen experts in the event, won it with a heave of 131 feet 3 1-3 inches.

Hamilton Institute, of Canada, spent a profitable two days in this city. The Dominion schoolboys outclassed their fields in three races, winning on Saturday the American championships in both the one and two mile events. Bascom and Christie ran brilliantly on the

com and Christie ran brilliantly on the two teams.

Johnny Murphy, the sole representative of Notre Dame in the Penn events, won the high jump from Le Roy Brown, of Dartmouth, the latter the intercollegiate champion.

Truman Gardner, captain of the Yale track team, won the pole vault, clearing the bamboo stick at 12 feet 9 inches.

Carter, Kirby, Captain Strickler and Robert Brown, the Cornell quartet of milers, won the four-mile event with case. Ohlo State, after threatening the first two miles, finished second, fifty yards behind the Ithacans. Yale was third and Columbia fourth.

PENN ATHLETES WHO BROKE RECORDS IN RELAYS

The Red and Blue two-mile team, pictured above, created a new world's record of 7:49 2-5 in the two-mile relay. George Bronder cracked the javelin mark by tossing the bamboo stick 187 feet 11 inches. Harry Rose surprised by winning the broad jump with the lengthy hop of 23 feet 4% inches

in the face of what seemed to University of Pennsylvania by the and leading of Pennsylvania by the rabilets. However, and the time for the time for

Jim Kelly, captain of the club this year, rowed in six of the above winning

year, rowed in six of the above winning crews, sitting at bow in the doubles and at No. 2 in the centipede crews. He is hoping this year to get some senior sculling crews together, and, if possible, to enter them in the National regatta, which will be held here in August.

The officers of the club, under the able management of "Doc" White, who is president, have spent the winter getting the clubhouse in good condition, one of the newest features being the installation of electric lights and purchas-

ting the clubhouse in good condition, stallation of electric lights and purchasing complete new sets of sweeps and sculls.

In addition to this, a number of new single working boats have been ordered. The rest of the rowing equipment has been undergoing overhauling, and Coach Marsh will not suffer for want of equipment. Marsh will use the club's coaching launch.

There are forty-six available men for all classes of rowing at present, and Captain Kelly stated he expected more than this number before the season got in full swing. There are about six good junior scullers from which a junior double and junior centipede can be made up. There also are several intermediate scullers and about eight or ten seniors. There is a wealth of material for sweeps. Enough men are now available for junior, intermediate and senior eight-oared shell crews.

White Optimistic

In speaking of the prospects for the coming year President White said it should be the best they have ever had, as they have all facilities for the crews, a good coach and good equipment. He

White Optimistic

In speaking of the prospects for the coming year President White said it should be the best they have ever had, as they have all facilities for the crews, a good coach and good equipment. He further went on to say how, after a lot of success several years ago, the club's activities lay dormant for some time. He stated this was caused by not looking after the junior members at the time, but devoting all to the intermediates and seniors. As a consequence, when these men atopped rowing there was none to fill their shoes, but this year all the men are to be taken care of, from juniors to seniors.

John Doyle, Jr., whose father was an active member some fifteen years ago, is rowing in the Penn freshman crew, and after the college rowing season will work with the West Phillies' crews. Jack is a good sculler and no doubt will devote a lot of his time to single sculls werk.

work.

The first local meet of the year will be three weeks from Saturday, when the American regatta will be rowed over the mile and 550-yard course. The stewards are expecting entries from most of the big colleges and will have a number of events on the program which will be filled by the rowing clubs.

CRACK NINE AT VILLANOVA PREP

Main Liners Have Won Five Games in a Row-Lead Catholic League

GRIFFITHS STAR PITCHER

THE baseball nine representing Villa-nova Preparatory School is one of the best teams the school has turned out in the last few years. To date, the team has played five games, and the same number of victories have been scored.

This week the Main Liners are confronted by a pretty stiff schedule. This afternoon they meet the Norristown High School on their home lawn and on Friday afternoon they play Catholic High School in a Catholic Schools League game on Cahill Field.

The Norristown team is strong this year, and as the Main Liners are anticipating a hard tussle, the latter are in the best of shape to turn in their sixth consecutive win. Catholic High already has been defeated by the Prep team, but by a close score, and as the game was played on the Villanova field and the game this Friday will be played away, Villanova is looking forward to a hard struggle with the Purple and Gold nine. Leading League

n Games Yesterday

NATIONAL LEAGUE

AMERICAN LEAGUE LEAGUE TOTAL League.....

Bronze for the Winner

Leading League

The team at present is leading the Catholic League and is confident of staying in this place throughout the schedule. Villanova scored wins over Catholic High and West Catholic High and played St. Joseph one inning when rain intervened. The contest probably will be played this week.

Villanova's fine showing this year has been due mainly to the great pitching of Harry Griffiths, their strikeout sensation. In the Catholic High game Griffith set down sixteen of the Cahillite batters by the strikeout route.

With Chick Aikens, backstop, and Griffiths, pitcher, the Main Liners have an exceptionally strong battery. Walt Kane is holding down the first sack, and has yet to make his first error. At second base, Duhamel is an able guardian and, with Charley Vail playing the short field, they form a formidable combination, so that opposing batters have a hard time putting the ball through the infield.

Mickey Courtney is the third-sacker and is one of the heaviest hitters on the team. In the outfield are McNamara, left; J. Quinn, center, and Rodgers. Cambridge, Mass., May 1.—A bronze reproduction of a Borshess sladiator, costing less than \$50, will become the possession of the college scoring the greatest number of points in the forty-sixth annual intercollegiate track meet which is to be held in the Harvard Stadium May 26 and 27.

right, Quinn is captain of the team and one of the most consistent players is a three-letter man, but on the squad.

Academy's best all-around is a three-letter man, but his G. A. in football and but on the squad.

Deacon Track Captain

At a meeting of the Athletic Association of the Germantown Academy on Saturday, members of the track team elected Achs Deacon with air most unanimous vote to captain the track and relay teams. Deacon is one of the senior class and will from the academy this year.
