

Saturday Will Be the Last Day of Our Splendidly Helpful

Demonstrations of the Advantages and Unique Features of the Nemo Corset and Circlets by Mrs. S. D. McArdle, Who is at Your Service to Advise You the Best Model for Your Figure and Needs

Juspul No. 575—\$5 "Neither Front Nor Back Lace"

It is the most recent Nemo invention. There is nothing like it in the corset world today.

It has a closed, well-shaped back. The entire front is made of Lastikopa Cloth, beneath which is concealed the ingenious lacing device. One pull on the ends of the lacers and the corset is adjusted. Low top; long skirt. Pink coutil; sizes 22 to 36—\$5.

The Newest Circlet No. 1110 \$1.00

It is more than a brassiere, as it is self-adjusting and gives flat, fashionable lines above the waist.

To obtain the best results it should be worn with a Nemo Corset.

Pink brocaded mesh; sizes 34 to 46—\$1.00. SNELLENBURGS Second Floor
