

That Glad Game

HELENA was distraught, flustered. "What happened today, honey? I'm all tucked out," asked the master of the manse...

"Oh, Helen Black dropped in this afternoon, and I'll tell you, Paul, you have no idea how that girl can wear one out. My goodness, I'm exhausted!"

Adventures With a Purse

HAVE you bought your summer sweater yet? I rather hope not, for I have come across a real discovery. Let me tell you about it.

Have you seen the perfume bottles for the preceding table? To my mind, they are quite irresistible. They stand about four or five inches in height, and are of slender, graceful proportions.

Metal clasps adorn the full collar of a pretty cape and a girde to match adds distinction to the frock. Two other girdles are made of squares and links of celluloid in bright colors decorated with steel to brighten up a dark frock.

"Jazzier" Thinks She Is Proving How Very Wicked and Shocking She Is

But She Doesn't Prove a Thing Except How Silly She Is and What a Lot of Time She Is Wasting

SHE signed herself "Jazzier," although she started her letter by asking for help in her distress. A boy she has known since childhood, she says, has inherited some money and now wants her to marry him.

good anyhow, unless it's done from the pulpit, and threats go right past her without hitting anywhere. But indifference! That's the prize-winner in a case like this.

On one of the popular soft-straw summer hats OAK LEAF TRIMMING gives an unusual and very attractive effect. Cut the oak leaf forms out of felt. Orange and brown are a pretty combination.

Woman's Life and Love

WINIFRED HARPER COOLEY Can You Love Two Men at the Same Time? NEVER know of a woman who committed bigamy? Men have done so, thousands of times.

The Unconscious Sinner

Hazel Devo Batchelor Dick Wheeler asks Cleo Ridgefield to marry him and she refuses. She calls her a heartless flirt and tells her that she will be sorry all her life.

The Woman's Exchange

Cleaning Shoes Dear Madam—Please tell me how to clean gray suede shoes. L. C. A solution of carbon tetrachloride will do this nicely for you.

Two Minutes of Optimism

HERMAN J. STICHI Almost Prescribing We received a letter the other day which we think got into the wrong envelope. We are quite sure it was intended for some one of the many specialists in telling newspaper readers how to be happy though married, and all the incidentals appertaining thereto.

Please Tell Me What to Do

CYNTHIA "Heaven's Eyes" Writes Again Dear Cynthia—Will you kindly print this letter to "Madge"? Now, Madge dear, I do not comprehend where you got the idea I did not have sense, or rather was unesensible. I meant exactly what I said concerning my education, as I do believe I was brought up better than some people.

What Happens When the Tongue Becomes Coated

When you see your tongue coated you should know that a general condition of your system is enabled certain germs which are present on the tongue to grow. The coated tongue is the danger signal, the sign of a disturbed system, telling the owner of the tongue that the intestinal tract is not in a normally healthy condition, although this condition may be wholly unsuspected.

Wanted

WINIFRED HARPER COOLEY I am a young woman of 25 years of age, and I am looking for a husband who is a gentleman, well-to-do, and who has a good position.

CHAPTER VII Readjustment

CAREY'S first step was to persuade Dick to take a trip to Europe. The boy seemed broken, he took no interest in anything, his whole attitude was one of listlessness, but before he sailed he gave Carey his promise not to do anything foolish.

Are We Going Back to Normal Waist Lines?

Illustration of a woman in a dress. The world of big business has a code all its own. While it conforms to the main, to the universally accepted principles of courtesy, it does not, and it cannot, include within its scope the more punctilious little niceties of drawing room or society.

Read Your Character

DIGBY PHILLIPS Wide and Narrow Head Jobs Suppose you are the sales manager of a big corporation and have two positions in your organization which you desire to fill. One of them is that of a territorial sales manager and the other is that of conducting investigations of markets, outlining of sales policies and methods and the like.

WHAT'S WHAT

HELEN DECIE The world of big business has a code all its own. While it conforms to the main, to the universally accepted principles of courtesy, it does not, and it cannot, include within its scope the more punctilious little niceties of drawing room or society.

Can You Tell?

By R. J. and A. W. Bodmer What Happens When the Tongue Becomes Coated When you see your tongue coated you should know that a general condition of your system is enabled certain germs which are present on the tongue to grow.

Getting Old at Seventeen

Dear Cynthia—I am a girl of seventeen years and I feel one of those dress denotes what she is, then I suppose that I am a flapper, for I must admit that I do not look like one.

Wanted

WINIFRED HARPER COOLEY I am a young woman of 25 years of age, and I am looking for a husband who is a gentleman, well-to-do, and who has a good position.

Tomorrow—The Meeting

A charmingly quiet touch can be given to a bedroom by having the curtains, bureau scarf and bedspread match. Of course, this is not the only thing they have to be daintily made.

Tomorrow—Picking a Store Clerk

Perhaps—who knows? We shall not be obliged to say "Full knee deep lies the summer waist." For in some of the latest news and most charming creations that have come to us from Paris we encounter a return of the waist line. It is raised to almost normal height.

Touching It Up

A white crepe frock may be made very interesting by the person who does not like things without some kind of color to brighten them. Set into the skirt, in upward points all around, are pieces of colored fabric, and these are embroidered in a rambling design of wools in lemon yellow, bright red and jade green. Naturally, a fine wool is used when embroidering on material of this sort.

Tomorrow—Picking a Store Clerk
