CLASH IN BASEBALL**

Cleveland Indians Here to Meet
Mack in First Intersec-
tional Clash

BARNES IN NO-HIT CLASS

AFTER nearly a month of sectional baseball in the big leagues the teams in the American and National circuits begin the first East vs. West clash today.

At the clubs in Ban Johnson's circuit are scheduled to perform, but in the Hayden ring the Robins and Pirates alone clash at Pittsburgh, all the other Eastern teams being on their way West.

The first Western club to make its appearance here is Tris Speaker and his Cleveland Indians. Spoke and his party arrived this morning and are quartered at the Aldine. They meet the Mackmen at Shibe Park this afternoon.

The visitors are in third place, just a half game ahead of Boston and Chicago, and their record for the season is a trifle above .500 mark. They have won eleven out of twenty-one games played. Out of the ten defeats registered against the Indians, six were at the hands of the St. Louis Browns, against Detroit, and the White Sox. Speaker's claim here by far the better of the games played to date.

In the party that reached here today were three catchers, eight pitchers, seven infielders and five outfielders, including Manager Speaker himself, for a total of twenty-three players.

Almost Perfect Game

Missing a perfect game by the narrow margin of a base on balls to "C" Williams in the fifth, Jesse Barnes, hurling one of the Giants and a hero of the last World Series, is in the no-hit, no-run hall of fame today.

The Phillies, blanked 0-0, were mowed down with monotonous regularity by Barnes, who fanned five and allowed only four balls to get to the outfield.

Barnes' performance, the sixth of its kind registered by a Giant pitcher—Amos Rusie, Christy Mathewson (twice), Red Ames and Jeff Tesreau being the others—gave the McGraw men a commanding lead of three and a half games ahead of West to open a series tomorrow with one of their strongest rivals, the St. Louis Cardinals.

Duplicate Mays' Feat

Sam Jones duplicated Carl Mays' two-hit allowance of the day before and enabled the Yankees to easily beat Washington, 8-1. The victory kept the New York club a step ahead of the Browns, who defeated Cleveland in a heavy-hitting contest, driving three of Speaker's hurling aces, Mails, Morton and Bagby, from the box.

Ty Cobb went on one of his old-time hitting rampages, collecting five hits, including three doubles and a homer, in as many times at bat, but Detroit lost to Chicago 0-7, although hitting Faber for seven singles.

Powell's ninth-inning home run gave Boston a 4-3 decision over Brooklyn. Pittsburgh knocked Alexander from the box and hit three other Cub twirlers hard for an 11-3 victory. Deak had Cincinnati at his mercy except for one inning, and the Cardinals won handily, Topper's hitting proving a feature.

**NAVY IMPRESSES IN
SEASON'S FIRST RACE**

Middy Oarsmen Easily Defeat
Princeton and Harvard in Varsity
and Freshman Races

The Middies are at it again. With the intercollegiate rowing season in full swing Dick Glendon's eights are for the third successive year proving the right to being called the best of all. Saturday the future enigmas out-rowed both Princeton and Harvard on the Charles River in Boston, and did it so convincingly that there was little doubt of the merits of the three crews.

Six lengths separated the Middies from the Tigers, who in turn had two lengths on the Harvard eight. In the freshmen race the Annapolis plebes had one and one-half lengths on Princeton, and the latter defeated the Crimson youngsters by one-half length.

The Middies had everything Saturday in their first appearance of the season. The two eights showed a smoothness and rhythm in their blade-work that made the old-timers sit up and take notice. The powerful sweeps of the eight oarsmen sent their boat literally skimming over the water.

The varsity race was a runaway from the start, and after the first mile it looked as though Princeton would be left far in the rear. With the Middies so far out in front the morale of the Tigers crumbled, and it was only by a superhuman effort in the last three-fourths mile of the race that they were able to row together and beat out Harvard.

The downfall of Princeton makes Penn the favorite for the Childs Cup regatta this Saturday on Carnegie Lake. Columbia, the other entrant, like Penn, raced on Saturday. Both the Red and Blue and the Morningside Heights eights have made excellent times over the Henley course distance and should battle it out Saturday.

Princeton, however, has been known to come back, and it may be that with some shifting in the seating of the Tiger boat during the coming week they will be in shape to give Penn and Columbia a keen battle in the Childs Cup regatta.

Josephus Wright, the Red and Blue tutor, has been driving his crews hard in preparation for the race, the third of the season for Penn. All three eights, varsity, junior varsity and freshmen eights are in excellent condition and have been bettering their times in trial spins on the Schuylkill.

**Earl Thomson Fails to
Break Two Hurdle Marks**

Earl Thomson, Olympic champion in the hurdles and one of the greatest in college ranks, failed Saturday in his efforts to lower the records for the seventy and seventy-five yard hurdle events. In the former Thomson skipped across the sticks in 9 seconds, four-fifths of a second behind his own mark made last year. In the seventy-five yard event Thomson was two-fifths of a second behind the mark made by Eller in 1911. In the recent Penn relays Thomson equaled the record for the 100-yard event on the grass of 15 seconds.

Lever and Bronder

BEAT DARTMOUTH, 80-55

THE University of Pennsylvania track team will face its biggest test of the season next Saturday at Ithaca, when it engages Jack Monkley's Cornell team. The meet was originally scheduled for Franklin Field, but reconstruction work there made it necessary to switch the meet to the shores of Lake Cayuga.

The Penn runners and field men will be handicapped from now on by not having their own track to practice of. Coach Robertson will probably take his squad out to the Strawbridge & Clothier field daily. The track there is not a quarter-mile one, but is said to be one of the best in the city.

The field men will do their practicing on Museum Field, where they will have plenty of room to throw the javelin, discus and shot. The jumpers and hurdlers will accompany the runners.

After the brilliant victory over Dartmouth on Saturday, when Larry Brown and his mates won a dual meet, 80 to 55, Penn's chances against Cornell have been greatly enhanced. The performance made by Powers, the former West Philadelphia High School star, in the hurdles was noteworthy.

Running as a varsity man in a meet for the first time, Powers skipped across the 120 high and the 250 low for first place. His time in the former, 15-4-5 seconds, and in the latter, 25-3-5 seconds, are not very fast, but fast enough to make him dangerous to Kimball, the Cornell star.

Rose Makes Great Jump

Albert Rose, who has been steadily improving in the running broad jump, made his best leap of his career at Hanover. He skimmed through space a distance of 23 feet 7 3/4 inches.

If the Chester lad continues his present improvement Penn will have a first place winner in the event in the intercollegiate, for the mark made by Rose on Saturday was the best turned in by a collegian this season.

Boss Lever showed he is returning to form by rumping home a winner in the 100 and 220. The former he covered in 10-1-15 seconds, and the latter in 22-4-5. Shatuck, who ran as a member of the 440-yard relay team, finished second in the century, with Altmaier, another member of the relay team, in a dead heat for second with Ray Jack.

George Bronder, the former Brooklyn Polytechnic star, marked his first performance for the varsity by winning first place in two events. The husky all-around star heaved the 16-pound shot 42 feet 0 1/2 inches, and threw the javelin 167 feet 11 1/2 inches. The latter mark was twenty feet shorter than the new record established by Bronder in the Penn relays.

Brown Wins Mile

Captain Larry Brown, after a hard race with Sherburne, of Dartmouth, captured the mile in 4 minutes 34-4-5 seconds, not the fastest time the Red and Blue skipper has made this season, but speedy considering track conditions.

Don Head lost the two-mile run by a few feet after a sensational finish with Young, of Dartmouth. Johnny Holden's defeat in the quarter was a big surprise, considering the time, 51 seconds. Ed. McMillen surprised by romping home a winner in the half mile ahead of George Meredith, who had to be content with third place. The time was 2 minutes 14-5 seconds.

Frank, Penn's 152-pound hammer thrower, edged in, with time in his favorite event when he heaved the pellet 133 feet 5 inches.

Easy for Princeton

Princeton scored almost as easy a track victory over Yale as did Penn over Dartmouth. The Tigers rolled up 71-1-3 points to 48-2-3 for the Elis.

The times made by the winners in almost every event were better than those made at Hanover. Stevenson won the 440 in 40-0-10; Johnson, of Princeton, the half in 1 minute 0-10; Douglas, of Yale, the mile, in 4 minutes 20-3-10 seconds, within one-tenth of the record.

The day marked the real opening of the outdoor track season, with meets all over the East and South. With Jimmy Patterson, who ran for Penn fresh last year in the stellar role with three first places, Colgate won the triangular meet with Pittsburgh and Syracuse.

Allan Helfrich with wins in the quarter and half, and Larry Shields in the mile aided Penn State in defeating the University of Virginia.

The result of the other meets follow: Lafayette beat Bucknell, Rutgers smothered Lehigh, Brown trounced Hovindon, Stevens humbled C. C. N. Y., West Virginia surprised Washington and Jefferson, and Union trounced Trinity.

MACKS WIN EXHIBITION

Athletics Hit Hard in 10-8 Victory
Over Newark Club

Newark, N. J., May 8.—Hammering out a total of nineteen base hits, Connie Mack's Philadelphia Athletics registered a 10-to-8 victory over the Newark Bears here yesterday in an exhibition game.

The Bears jumped home on Buffalo and left immediately after their game with the Athletics for Toronto. Included in the Mackmen's base-hit barrage were a pair of home runs by Miller, two triples by Seber, a triple and a two-bagger by Hauser and a triple by Welch.

Star Track Athlete May Be Missing
for Rest of Season

Washington, Pa., May 8.—Consternation was caused in track circles at Washington and Jefferson when it was learned that Charles West, star Negro athlete, would likely be missing from competition for the remainder of the season.

West, who finished third in the pentathlon at the Penn games, was declared ineligible a few hours before the team left for Morgantown to compete with West Virginia in a dual meet.

The
Styl-Flash

A Record Breaking
Radio Carnival

When I sent out the Code Signal Q S T last Saturday, which was a General Call for "All Persons to Stand By" and get the Styl-Flash, I expected a rush, but I didn't look for a riot.

I guess every Live-Wire in Philadelphia caught this Flash, plugged in his Loud Speaker, and invited all his friends to "listen in," because the response resulted in a Record-Breaking Radio Carnival and my store was a Receiving Station for all Philadelphia.

Last Friday night at 8.30, W G L, one of the most powerful Broadcasting Stations in Philadelphia, in a Style Forecast, said that "The most startling new style feature introduced this Season was a White Sennit Sailor with a thick edge to the brim." This Style Prophet must have referred to the Styl-Flash, as it is the only hat in Philadelphia with a light Radio Amplified Edge.

Incidentally, the Styl-Flash has the "edge" on any new style introduced this year, and was responsible for my Philadelphia store making a New Record for the Opening Day of the Straw Hat Season and breaking the World's Record for the number of straw hats sold in any one store in any one day.

The enthusiasm of the crowd was contagious. Even the salesmen who had all waited on more than a hundred customers apparently enjoyed the evening performance as much as the matinee.

Although I was in the store during the whole performance, it was impossible to speak to you all and thank everyone personally for coming to my Radio Party, so I want to take this opportunity to publicly express my appreciation.

I thank you all 10,000 times.

TRULY WARNER

P. S. If it was impossible for you to "listen in" last Saturday, I just want to remind you that we are going to have a continuous performance every day this week.
