

Wouldn't It Be a Dull Summer Without the Fine Things Every One Loves to Wear

There Are Times When Heaven Half Opens Itself

to those who believe that the Father of all life is interested in the children made in His own image. Very many men known to the writer can trace ways closed up because there was something better farther on. To sit down and mope is unworthy of a full-grown man.

Pretty Untrimmed Hats and the Trimmings for Them

With the present simple fashions, almost any woman can combine the two successfully. There are plenty of the short-brimmed hats for everyday wear, all variations of smart toque and cloche shapes and many large leghorn and other fancy straws such as Paris loves best of all. As for colors, one can have all the new vivid tints as well as navy, black, brown and purple. Prices go from \$2 to \$15. The flowers, fruits and other trimmings, many of which are from Paris, are here in wonderful assortment. One has only to pick and choose.

(Second Floor)

PRINTED Crepe de Chine Overblouse Patterns—Special at \$5

Every one semi-made. All that is necessary is to cut along the marked lines and sew. The material is crepe de chine, of a firm quality, in navy, beige, black, gray, brown or other color, printed in effective designs that form a decorative trimming and make other ornament unnecessary. Each pattern is ample for a large figure, and easily may be proportioned down to fit smaller figures. At \$5 they are most unusual.

A Little Electric Clothes Washer That Will Work in the Bathtub

or in the stationary laundry tub or most any other place one would care to wash clothes, is here for \$22. By way of opportunity, \$22 is an unusually low figure for such a washer, for the nationally advertised price is more than twice as much, and even here it never has been so low before. Compact and sturdy and a regular giant for work, although the outside galvanized casing measures only 20 inches wide, 32 inches long and 19 inches deep. Within the casing is a non-rustable cylinder tub that can be taken out and put anywhere it is convenient to wash. Many people find it an ideal washer for apartments or Summer cottages.
