Why Blue Heron Choked fussy-looking little lady owl

'Oh-oco-oco!'' shricked Mrs. Screech

Owl. "What a fine beak with which to catch food. I will marry you today."

Mrs. Screech Owl's shriek startled Blue Heron. It made him jump. The freg got caught half way down his threat. Blue Heron gasped and choked and squirmed. He couldn't get the frog down nor up. His face turned black, his eyes stuck out.

"Oh he is choking to death" cried.

The Shoe for **Happiness**

"Nonsense!" you say, "happiness doesn't depend upon shoes." Doesn't it? Let's see.

Can you be happy with a twinge n your foot here, a cramp there, a numbness in your great toe, an in-sufferable feeling of weight in your arches, a general all-tired-out feel-ing from foot trouble?

Of course you can't. Test it out for yourself. The dance; the play; the country walk; the joy of buypleasant anticipation of a holiday—all can be gloomed by foot discom-

But, by wearing the

antilever Shoe

you escape all of the discomforts brought on by ill-fitting shoes; you build foot strength and beauty because the curved, flexible arch, like the arch of your own foot, permits free exercise of the muscles; you promote better circulation by giving every part of your foot sufficient room and by properly fitting and supporting it at all points; you enjoy life more because your feet are really comfortable.
