TN the official Underwriter＇s trials，this 1 Van Dorn safe made one of the most remarkable records of any safe ever tested．At the end of two hours and fifteen minutes -15 minutes longer than the time required by the Underwriter＇s Laboratories，the inside temperature was still $70^{\circ}$ less than the $300^{\circ}$ point allowed．
We have this safe in four convenient sizes at prices practically as lows as safes of ordinary construction．Our complete line of interior fittings permits you to select separate sections most economi－ cally for your particular needs．
