"Wandering Ideas"

Rome, May 11.—Three prominent alienists yesterday prescribed "isolation and rest for some time" for Father Lo-renzo Perosi, the noted composer of

church music and conductor of the fa-mous Sistine Chapel Choir. Drs. Desarctis, Mingazzini and Mian-nelli, who were called in consultation by Father Perosi's family, made a men-tal examination and issued the following statement :

"Unfortunately, the case of the master presents complications. He has wan-dering ideas which he is constantly re-iterating, and these have a great influ-ence on his conduct. Two of us (Drs. Desarctis and Minnazzini) examined him in 1915 and found him manifesting the same symptoms. Because of his the same symptoms. Because of his condition we have counseled isolation and rest for some time."

THE tremendous out-L pouring which greeted the new Packard Single-Six will go down as one of the mostsignificant occurrences in fine-car history.

It was probably the first time that such complete and instantaneous approval has been given to a car of the highest class.

It indicates, moreover, that

those who desire the dignity and wealth of beauty so typical of Packard, fully recognize the masterful value now presented by Packard resourcefulness.

It would, indeed, be difficult to imagine how one who prizes all that is high and fine in a motor car, could see this latest Packard without giving it immediate and positive preference.

The prices of the new Single-Sixes at Detroit are: 5-Passenger Touring, \$2485; Runabout, \$2485; Sport Model, \$2650; 4-Passenger Coupe, \$3175; 5-Passenger Sedan, \$3275; 7-Passenger Touring, \$2685: 7-Passenger Sedan, \$3525: 7-Passenger Sedan Limousine, \$3578 The price of the Twin-Six Touring is \$3850 at Detroit
