Gifford Pinchot's nomination as Governor was conceded at 1 o'clock this afternoon by W. Harry Baker, Fourth Districtchairman of the Republican State

"The unofficial returns convince me that Mr. Pinchot has been nominated," said Mr. Baker.

Gifford Pinchot is steadily overtaking Attorney General Alter, Combine candidate, in a highly dramatic race for the Republican nomination for Governor.

Alter leads by 22,886 votes, with 2241 of the State's 7934 election divisions still missing.

The ratio of Pinchot's gains seems to indicate that Pinchot will win by a plurality of 4000 to 8000.

County plurality is now 40.865. The returns have been slow from more than a thousand farming and 13 mining districts which Pinchot supporters believe will return heavy puf-
