ten hy the criminal. Monroe might have

memory of his crime. At last, when he had made up his mind that he could have peace in no other way, he wrote another letter, referring to the first. and this time gave his name and address,

Monroe was arrested today by County Detectives Smith and Doran. The Manila, \mathbf{P} , $\mathbf{I}_{\mathbf{L}}$, May 25.—(By A. condemned, was taken to the prosecutor's office, where he repeated the confession in greater detail, and then was taken to yacht Apo. A radiogram from the Apo York, and said that Attorney General

"The kidnapping was for ranson according to taking refuge behind an island off the confession," said the prosecutor. "It was a most extraordinary story. The With Governor Wood are Mrs. Wood boy said he had been out of work for and their daughter, who started with several months. He comes of respecta- him Saturday aboard the yacht on an ble parents, his father being Samuel inspection trip to Mindoro. Monroe, an employe of the Canaden Wa-gram said the party expected to reach JUDGE BALKS PAROLE for Bureau. The boy worked regularly, Manila tomorrow. but lost his job some time before the MILK DEALER LEFT erime was committed. He grew desperate finally and determined that he would kidnap some child and hold it for nsom. "The boy said he went to Wood-

bury and saw little Ida playing with • her children on the street near her ather's butcher shop. Perhaps the reason he singled her out was that he heard another child say her name. He hld and watched his chance, then when she left the group of children followed her. He called her by name, and told

He gradually got away from the neighborhood, using side streets, and got on a bus with her. They went from Cam-den to Fairview, he said, then along a tin horn. (C. Stua the Mt. Ephraim pike to Woodlyn, and made their way to the creek.

"The boy's idea was to find some place where he could hide the child until he was able to get a ransom for re- business was a loan to purchase a horse turning her. They reached Woodlyn by owing back roads, so that no one saw them. When they were walking in Philadelphia and Atlantic City, along near the creek, however. Ida saw people and screamed to attract their attention.

Kills Her, Sinks Body

"That angered Monroe." he said and he picked up a piece of rock and struck the child over the head. She fell, and he was afraid she was dead. He said he took off his shoes and stockings, picked her up in his arms, and stolen from freight cars of the Philatook her out into the creek and threw her there. herland street.

"He did not know to a certainty whether she was dead or not when he threw the body into the creek.

"The boy went home, but could not rest because of his conscience. He must have known he was safe when weekpassed and he escaped arrest. Finally about the time the child's body was iscovered, the gnawing of his conscience became too strong to be born longer, and he wrote the first letter

This letter was so complete and Charges Gri Stole \$4000 in Gems elecumstantial that I was convinced it Bertha Freeman, colored, Chancelhad been written by the murderer. It for street near Twenty third, was held
