June Dress Sale!

\$25 Kinds—Silk and Cotton

\$15

A stunning lot just received!—Samples and surplus groups from several prominent makers—beauties, many models with but few duplicates!

Choice couldn't be better for something distinctive and very pretty. Sketch shows six of the models.

Plenty of gracefully simple styles—the tub frocks with crisp organdie insets, collars and cuffs—the dressier frocks are prettily paneled and draped in almost limitless variety—some beaded or embroidered rather elaborately, some showing facings or pipings of contrasting color, many fringed richly.

Splendid qualities of canton crepe, Roshanara, crepe-back satin, crepe knit, printed crepe, crepe roma, crepe de chine, foulard, lace, taffeta, ratine, dotted swiss, French linen, voile and dainty tissues.

Plenty of all the delightful blues in such great vogue—practical navy in fine showing, henna, rust, gray, periwinkle, orchid, tan, brown and black and white.

All sizes for women and misses, but not all sizes in every style. Also extra sizes for stouts.
