The experience of Senator Pepper, of

Pennsylvania, with the Republicans of Two little girle in blue that State is interesting and striking.

The Senator not only voted against
the bonus measure, but he consistently
and aggressively declared his opposttion to it. In the Pennsylvania primaries the other day he was opposed. the bonus measure, but he consistently and aggressively declared his opposi-tion to it. In the Pennsylvania pri-maries the other day he was opposed by Representative Burke, a staunch bonus advocate. Officers of the American Legion and of the Veterans of Foreign Wars took the field against Benator Pepper and worked strenuously to accomplish his defeat, as an example of what will happen to members of Congress who refuse to sanction the drive against the Treasury. The result by a tremendous majority. In the same primary four Congressmen who were open supporters of the boars and had voted for the bill in the House of Representatives failed to win renomina-

Recently in Illinois two Congressmen who had voted for the bonus were de-feated for renomination in the primar-

The bonus boomers, it seems, are unable to deliver the goods they are selling to members of Congress. If the conviction should come to the politicians that the bonus is an unprofitable inestment, the measure will not get very Lancaster, Pa. May 23, 1922.

No Justification for Booze

To the Editor of the Evening Public Ledger: Sir-Just a word or two to the booze-

more of a curse to the human race than good. The run had made the goblin warm and sticky. The water looked cool and at me?" demanded Cold-Nose Bear. me say let us have beer and light clean.

Some say let us have beer and light clean.

wines. Pray tell me why do not the drinking people stick to that, but are rather drinking the bad whitsky, as you may. Well, you say, it is hard to get. In not that the case with the whiskies, that cost much more, too. No, the drinking man wants something to be drinking man wants something to be aumb his mind both in good and bad on the bank, and then he plunged into the could be drinking man wants something to be aumb his mind both in good and bad on the bank, and then he plunged into the river. Away splashed Tom.

Suddenly something caught his foot and held him back. That something was the string to which he had fastened the two turtles. The string tangled around his ankles and their might. Tom felt a sudden fright. He could times, and then if he abuses his very the water.

To felt a sudden fright. He could no longer swim. Fortunately a flat giant's face it had a funny effect. The giant's

When the water got on the goblin giant's face it had a funny effect. The queer lines and colors began to run down in streaks. Soon Jack and Janet recther and for the sake of our weaker brother and for the sake of bis wife and salidren, as well as all his friends?

You say that the fruit and grain were the poison has been gathered out of it, and then fill our stomachs with it.

The liquor business has been run by low and high tariff and without, and with it all, it has been a demoralizing husiness and always will be so. That is why they pay from \$300 to \$1000 per to find the grabbed it and drew himself partly out of water.

When the water got on the goblin no longer swim. Fortunately a flat queer lines and colors began to run down in streaks. Soon Jack and Janet could see that his peculiar looking face wasn't really peculiar at all. It was just a regular boy's face painted up.

"I know that face," whispered Jack to Janet. "It is the face of Tom the Teaser. He isn't a goblin giant, but just a mischievous boy."

"He probably looked like a goblin giant, but just a mischievous boy."

"He probably looked like a goblin giant, but just a mischievous boy."

"He probably looked like a goblin giant, but just a mischievous boy."

"He probably looked like a goblin giant, but just a mischievous boy."

"Tom the Teaser was up to another prak. He had caught a little rubber-rock was alead. He grabed it and drew himself partly out of water.

(All of Tom the Teaser's troubles are not over, as will be told in the next chapter.)

WOMEN TO BE JUDGES

Tom the Teaser was up to another prak. He had caught a little rubber-rock was alead. He grabed it and drew himself partly out of water.

(All of Tom the Teaser's troubles are not over, as will be told in the next chapter.)

"I know that face," whispered Jack to Janet. "It is the face of Tom the Teaser set will be told in the next chapter.)

"I know that face," said Janet.

"Iso't he an awful tease! Look at him for the port of the por

rear, while the grocery man pays \$25. It looks to me the least a man ought to so would be to keep his mouth closed to looks to me the least a man ought to would be to keep his mouth closed and not boost the liquor business. That if they want right living and peace and prosperity to prevail in our fair A. G. J.

Glenolden, Pa., May 25, 1922.

Enforcement of "Freak" Laws a Editor of the Evening Public Ledger: -In the evening papers of recent I read many letters anent law enlaw when freak laws, such as the light saving, are enforced by force by a vote? No sane person with a children would vote for daylight

"Two little girls in blue, lad. But we have drifted apart.

"That picture was one of those girls."

Jack and Janet go with the fatries Birdland where a goblin giant,

dressed as a clown, is playing pranks.

CHAPTER V

The Goblin in Trouble

TACK and Janet and the fairies left

prank. He had caught a little rubber-shelled turtle and was tying a string to

string snapped taut, and there were the two turtles swimming for dear life in a desperate tug of war. They swam their hardest but couldn't move an inch. "Ho! Ho! Ho! Ha! Ha Ha! laughed Tom the Teaser. "Isn't that fun!"

"To me she was once a wife: tho't her unfaithful: we quarreled, lad. And parted that night for life. A fancy of Jealousy wronged a heart— A heart that was good and true: No better girls ever lived than they, Those two little girls in blue."

Smaller and larger sizes can be used, but it is best to get wire somewhere around No. 24 or thereabouts. tube should be from three and | y

a half to four inches in outside diam-It can be as much smaller as you like, but the smaller it is the longer must be. Figure on a four-inch tube about six or seven inches long as standand. If you get it larger you are going to sacrifice sharpness of tuning.

I have one of those huge old "NAA" I have one of those huge old "NAA" tuners, six and a half inches in diameter and twelve inches long, that we used to have to use in the old days to

get the time signal and press from Ar-lington, Va., on 2500 meters wave length. Hooked up in the audion cir-

"Watch me make that rabbit jump!"

chuckled Tom to himself. He swam to shallow water and picked up a stone. He threw this at Hoppity-Hop Rubbit. But Hoppity-Hop seemed to feel that stone coming. He jumped to one side, and the rock flew past him and into the care.

Tom the Teaser turned to fice. The only way to fice was out into the river.

There is nothing to prevent properly qualified women from being appointed

judges in England and wearing the black gowns, big horsehair wigs and other symbols of judicial dignity, the

Attorney General, Sir Ernest Pollock,

Asked by a Lincolnshire member whether, as a woman had now been

called to the bar and others would be called in the near future, judicial po-

sitions would be open to them, Sir Ernest said: "Any woman who pos-

sesses the statutory qualifications re-quired for the appointment to a ju-

has ruled.

Tom the Teaser. "Isn't that fun."

It was fun for bim, but it wasn't for the turtles paddling madly to get away eligible for appointment to that office."

from each other.

'th cuffw cuffw cuffw cuffw cuff

Hoppity-Hop Rabbit came hopping along about this time. Hoppity-Hop Rabbit saw something in a cave beside the river that made him curious. He packed within. While he was pecking to the Rrupps.

Krupps Mine Explosion Kills 17

Essen, Germany, June 2.—Seventeen miners were killed and twenty-hye others injured in an explosion yesterday in the Helene and Amalie coal mine, belonging to the Krupps.

Eight miners are missing.
