

### VOTE IS PROPOSED ON 1926 FAIR LOAN

Councilmen Want People to Act So as to Avoid Exceeding Borrowing Limit

#### CALL FOR PROBABLE COST

Pledge to support the proposed Sesqui-Centennial was made yesterday by City Council which also discussed plans for financing the movement in its early stages. It was decided to ask officials of the centennial association to indicate the amount of money needed for 1922 and 1923, so that an electoral loan may be voted on at the polls next November.

Considerable discussion on the fair developed when Mr. Weglein announced that a public hearing would be held next Wednesday afternoon to consider the ordinance condemning land on the lower end of the Schuylkill for the fair. Mr. Hall said he heartily endorsed the movement to eliminate the nuisance existing on the lower end of the Schuylkill.

Cost About \$7,000,000

He added, however, that the land condemnation should be financed in a manner that would not tie up the councilmanic borrowing capacity. He said the land would cost about \$7,000,000 and that it should be paid for by electoral loan.

"We are all behind the fair project," he said, "but we must take care to finance it in a manner that will not be harmful to the city."

Mr. Gaffney warned that the condemnation of land costing millions of dollars became an immediate charge against the limited councilmanic borrowing capacity and said that there was danger that the limit would be exceeded if the promiscuous condemnation of land were not checked.

"Caution sometimes saves pigot and loses at the bungalow," replied Mr. Weglein. "We certainly do not want to repeat the experience of the city on land condemnation for the Parkway. There dilatoriness on the part of the city cost the municipality two or three times as much for the land as it would have had to pay had it acted promptly. The city waited and as a result values skyrocketed with the city paying the bill."

Mr. Gaffney criticized the Mayor for advertising projects to condemn land, saying that land sharks rushed in to speculate with the land the city sought to take.

"A little co-operation will save the city hundreds of thousands of dollars," he said. "Property along the Parkway that sold for \$20,000 a few months ago is now bringing \$30,000."

Mr. Linsbarger said that hundreds of options were taken on property along the Parkway long before Council ever knew that the fair was to be on the park site.

It was then that Mr. Hall suggested that Mr. Weglein ask the directors of the fair to fix the probable cost of financing the project until the end of 1923 so that Council could provide the funds by means of an electoral loan.

#### ROUTING FOR REALTY BOARD

Members Will Spend Day on Grounds of Rifle Club at Tabor. Offices of real estate men in many parts of the city will be closed this afternoon to permit members of the Philadelphia Real Estate Board to attend the annual outing at the Philadelphia Rifle Club, Tabor. The members will leave board headquarters at

### ASKS PERMANENT CHAIR OF ANATOMY AT HAHNEMANN

Alumni Members Urged to Donate \$10 to Fund

At the annual dinner of the Hahnemann College Alumni last night in the Bellevue-Stratford, over which Dr. Robert D. White presided, a unanimous resolution was passed which asked every member to give not less than \$10 to a fund for a permanent chair of anatomy in the college. The chair will take the name of the present head of the anatomy department, Dr. Rufus B. Weaver. The plan provides for raising \$100,000.

Colonel Edward Martin, State Commissioner of Health, was the principal speaker, and asked the aid of the alumni in the prevention of diphtheria, which, he said, can be prevented by educating the public.

"The mortality from diphtheria in some counties is 35 per cent," he said, "and the mortality for the State is 10 per cent. I am going to send out a pamphlet which will be a popular description of the disease to every father of a new-born babe in this State, and am also going to write a note to all doctors whose diphtheria patients have died and find out the reason for that death. I ask you gentlemen, is this a good thing?"

Mr. Gaffney warned that the condemnation of land costing millions of dollars became an immediate charge against the limited councilmanic borrowing capacity and said that there was danger that the limit would be exceeded if the promiscuous condemnation of land were not checked.

"Caution sometimes saves pigot and loses at the bungalow," replied Mr. Weglein. "We certainly do not want to repeat the experience of the city on land condemnation for the Parkway. There dilatoriness on the part of the city cost the municipality two or three times as much for the land as it would have had to pay had it acted promptly. The city waited and as a result values skyrocketed with the city paying the bill."

Mr. Gaffney criticized the Mayor for advertising projects to condemn land, saying that land sharks rushed in to speculate with the land the city sought to take.

"A little co-operation will save the city hundreds of thousands of dollars," he said. "Property along the Parkway that sold for \$20,000 a few months ago is now bringing \$30,000."

Mr. Linsbarger said that hundreds of options were taken on property along the Parkway long before Council ever knew that the fair was to be on the park site.

It was then that Mr. Hall suggested that Mr. Weglein ask the directors of the fair to fix the probable cost of financing the project until the end of 1923 so that Council could provide the funds by means of an electoral loan.

Members Will Spend Day on Grounds of Rifle Club at Tabor. The members will leave board headquarters at

### GIMBEL EMPLOYEES IN MINSTREL SHOW

1500 Attend Entertainment and Dance Given by Bowling League

#### PRIZES ARE AWARDED

Fifteen hundred employees of the Gimbel Brothers store were joyously entertained last night at a minstrel show and dance which marked the close of the store's bowling season. The show was conducted by the Bowling League in Mercantile Hall.

Prizes were awarded to the champion bowlers and those who averaged highest in the league.

The stage was artistically decorated and went far in making the occasion a great success.

R. J. Graham, T. H. Weiner, M. Cross and J. Williams, the end men, made a hit with the entire audience which was kept in the state of side-splitting laughter by the witty remarks of black-faced comedians whose efforts were far from being amateurish.

H. E. Connolly was the interloper and cleverly drew from the end men and other performers a constant stream of witticism.

W. Cornog, M. Cross, R. D. Bird and E. A. Davies won applause by their singing.

The plantation melodies, sung by the entire company, made more than one

in the audience wonder if they were not hearing a group of Negro harmonizers along the levees in the South.

After the close of the minstrel show Miss Hannah Leach, Miss Mary Brown, Miss Constance Rhodes, W. J. Maguire and George Sternberg, presented a tableau.

Ellis A. Gimbel, Jr., then presented silver loving cups to the first four teams in the Bowling League.

The Linen Department Team captained by J. P. Dowd, won the championship of the League and the Competition Cup. That team won sixty-two games and lost thirty-seven. Second prize was awarded to the Subway Store team, captained by R. C. Chatham, with fifty-five games won to their credit out of ninety-nine games played. The Bug Department Team won third prize, taking fifty-four games and losing forty-five. H. L. Wood was the captain of this team. The Shoe Department Team, captained by C. L. Law, won fifty-four games and lost forty-five, and was awarded fourth prize.

Awards were also made to the five who obtained the highest average during the bowling season. These were F. P. Shade, L. G. Law, M. Cross, B. Marks and E. E. Cooley. C. S. Halaail is president of the League.

**CASH AND BONDS STOLEN**  
May Houseman, of 2001 North Maecher street, reported to the police the theft of \$50 bonds and \$700 in cash from his home. It is believed the money and securities were stolen by a sneak thief while the family was at dinner.

### CONCERTS IN PARK URGED BY POMMER

Bill in Council Would Appropriate \$50,000 for Nightly and Sunday Musio

#### MANY FAVOR MOVE

Nightly concerts in Fairmount Park will be provided if a bill introduced in Council yesterday by Councilman Pommer is passed. The ordinance provides for an appropriation of \$50,000.

Mr. Pommer said a casual visit to the Park and the lack of music inspired him to introduce the measure. It was referred to the Committee on Welfare.

In urging the passage of the ordinance, Mr. Pommer said:

"I desire to say I have in mind the thousands of our citizens who are unable to leave the city during the summer months, and the frequenters of our beautiful park should be entitled to hear the finest music procurable."

"I have consulted Louis A. Mattson, assistant manager of the Philadelphia Orchestra, who has submitted a budget showing we could have an orchestra of at least fifty persons, all talented mu-

sicians, the greater number members of the Philadelphia Orchestra, who could give orchestral concerts, each night of the week and on Sunday afternoons; that it could be conducted by an able conductor, all of which could be done for the amount appropriated by this bill.

I have sought advice and counsel from many of our leading public-spirited citizens, all of whom are very much in favor of this bill, and I refer, by permission, to at least two of them. J. Willis Martin, president Judge of Court No. 5, and William Findlay Brown, first Assistant District Attorney, who is also a member of the Park Commission."

**VICTIM OF FALL DIES**  
Henry M. Palmer, 85, Stricken With Paralysis on Stairs

Henry M. Palmer, eighty-five years old, of 1840 East Berks street, died yesterday in St. Mary's Hospital as a result of a fall down a flight of stairs in his home when he was stricken with paralysis Monday afternoon.

The death of Mr. Palmer is the third misfortune that has occurred in the family within a year. About a year ago Mrs. Mary Krider, his daughter, who is a nurse, fell and broke a shoulder and both arms. A day after her discharge from a hospital, where she was confined several months, her stepmother, Mrs. Elizabeth Palmer, suffered a stroke of paralysis. She has not been able to move since.

Mr. Palmer, who was a retired shoemaker, was born in Kensington and lived there all his life.
