BROADWAY—"THE RIGHT WAY" When We Advertise a Car for Sale You Can Come Here and Get It—Not Some Other Car

We don't carry a lot of "hard sellers" that must be removed regardless of the purchaser's interest. You can go back into our storage room or into the shop, and see every car we have. They're highly representative of the best makes and in good condition. New car dealers with used cars to sell have learned to offer us only their dependable cars. We won't take the other kind. That's why our customers get satisfaction. Many customers ask us "to pick up something good" because they trust our judgment and integrity. Give us an order—we'll fill it satisfactorily and at no more cost than elsewhere—generally lower.
