**MAN'S BODY FOUND AFTER ATTEMPT TO WRECK TRAIN**  
 Seven Ties, Wired to Track, Fall to Derail Any Cars  
 Danbury, Conn., June 8.—(By A. P.)—An attempt to wreck a northbound train on the New York, New Haven and Hartford Railroad was made late last night between Watrous and this place. Seven ties which were wired to the track were struck by a New London-to-Watrous train. No cars were derailed and the train was brought to a stop within a short distance.  
 The mangled body of a man about thirty years old was found. State and railroad police were called at once to determine whether the man was dead before the train hit the ties.
