

GOMPERS SEEKS RETURN OF CARPENTERS' UNION
 Appears as Peacemaker in Building Trades Controversy
 Cincinnati, June 9.—(By A. P.)—In the role of a peacemaker, Samuel M. Gompers, president of the American Federation of Labor, was expected to appear today before the annual meeting of the building trades department of the Federation in an effort to smooth the way for settlement of the dispute that led to the Carpenters' Union withdrawing from the department a year ago.

No announcement of any terms of prospective settlement preceded Mr. Gompers' appearance, but his speech reopened the dispute for general discussion. For two days Mr. Gompers and other leaders had been conferring on a settlement, the carpenters having quit the department when the Board of Jurisdictional Awards decided that the metal workers were entitled to install doors and room trimmings. The approach of the opening session next Monday at the annual convention of the Federation was marked by the arrival of increasing numbers of labor leaders.

It is impossible to convey anything like an accurate idea of the values on hand—all we can say is: If you intend to buy an automobile, come here to this sale. You will find a car to suit you at the right kind of a price.

For the Wife and Kiddies

Don't deprive them any longer of the joys, comforts and conveniences of a car. It means MORE HAPPINESS, BETTER HEALTH for them, and wonderful times you'll have driving out in the country, going on trips and picnics—and then think, too, of the BIG HELP a car will be to your business.

Every Car You See on the Street is a Used Car

Your banker, your doctor, your attorney, the big and little men of the business field, all drive used cars. Just the moment a new car is placed in the hands of a user it becomes a used car. Many of the cars we have on hand are still in the finest kind of condition, both from the standpoint of appearance and mechanically.

Any Cash or Time Offer in Reason Will Buy Any Used Car
 What kind of a car do you want? Small car—large car—open car—closed car—touring car—roadster. No matter what kind of a car you want, it is here and at less money than you will ever buy the same quality for again, and this is your last chance.

This is Buyer's Day

We have talked with the man who is out of work and cannot buy—we have talked with the fellow who is looking around for his uncle in the country. We have had a number of the boys who drifted in just to look around, but from now until the end of the sale our time will be devoted to buyers only.

Satisfaction

Drive the car you select five days. If at the end of that time you are not entirely satisfied, bring the car back, we will gladly allow you every dollar you have paid to apply on the purchase of any renewed car in stock.

CASH OR TIME—YOU DECIDE
 The mechanic or laboring man is as welcome here as the business or professional man. Your dealings are confidential and dignified. You can select any car regardless of price, and terms to suit your convenience will be arranged.

TRADE YOUR CAR NOW ON A RENEWED CAR

Every time you see a new car reduction in the paper it means that the price of your car has gone down also—so right now, while your car is running, trade it—and trade it here—where the quality is high and the prices are low—where the values are incomparable and the prices and terms are the lowest and most liberal known. No matter who you are—where you live or when or how you intend to buy a car, come here at this sale now and make a selection—it means CASH IN THE BANK FOR EVERY BUYER.

One Minute, Sir— We Still Own That Suit

NO, SIR, you cannot buy a Joseph Hilton suit and ask us to give up title to it.

You cannot walk out of our store with a garment, no matter how pleased you are with its value, and assume that you own it completely.

We own that suit!

AND we intend to own it until it has served its purpose to the very end Throughout its entire life, from the day you buy it to the day you discard it, every dollar you invest in that suit is held in this store on deposit.

It is your deposit, not our money and it remains your deposit to be given back to you at any time throughout the life of that garment when you think you are entitled to it.

Who is the jury to decide that question? You are and always will be!

Every Joseph Hilton Store Sells Clothing at Cost

AS business men, you'll appreciate what it means when we tell you that without exception, every garment you buy is the price the store pays for it—and at sale times even less!

There is nothing miraculous in that. It is simply a policy of manufacturing our own clothes in our own tailoring plants, selling them at wholesale prices to our own stores. It is in the wholesale prices that Joseph Hilton profits are made, depending upon wholesale volume not retail prices for profits.

NOW, in this store, you will find a beautiful array of summer suits in every desired fabric, every weave, every color—lined, semi-lined or skeleton-lined—the exact model you want—conservative or tending the other way if that is your preference.

Here, tomorrow! See what
