Fifteen Races to Be Staged in Annual Schuylkill Classic on Saturday

RULES MAY BE CHANGED 3:18 P. M., Jumier four-cared circal Pennsylvania Barge Club; 2, Maita oBa

Forty-seven entries have been received for the annual Schuylkill Navy regatts which will be rowed on Saturday. Fifteen races will be staged and athletes have been entered from all the clubs except Fairmount Rowing As-sociation and the Quaker City Barge

The question of eligibility of many of the carsmen was discussed at a meeting of the regatta officials last night. The first discussion came as a result of the entry of the Bachelors, Barge Club in the junior eight-eared shell event. Four of the men in the boat were members of the Episcopal Academy crew which rowed and won in the American Henly, defeating the Wash. C., Central High The question as to whether or not these men were intermediates came

It developed that there were no opponents entered against the Churchmen when the entries closed for the Ameris at Philadelphia Chicago at Brooklyn Pittsburgh at Boston Cincinnati at New York lean Henley, and a match race was arranged between the local crew and the Senators, and the final decision was that, inasmuch as it was not an open race, the class of the men remained the MERICA.

Captain Garrett Gilmore, of the Bachelors, wished to enter W. W. Shoemaker in the intermediate singles event. Shoemaker rowed for the Malta Boat Club last year, and immediately a discussion started. Mr. Mellov frankly stated that he thought the 365 day rule was discriminating against the Navy's own members, as it prevented men from getting into a regatta, in which a man could row who left a club from another city and joined here.
