FRANKLIN

AT RIGHT—the first Franklin ever sold, as it looks today, 20 years later. Seated in it is S. G. Averell (left), its original purchaser, and John Wilkinson, its designer, now vice-president of the Franklin organization.

BELOW—the same men in the Franklin which Mr. Averell owns now.

Twenty years ago June 19th, the first Franklin was sold—and to the owner of a water-cooled car.

Today the Franklin is selling faster than any other car of its class. \$1950. FRANKLIN MOTOR CAR COMPANY 2314-22 Market Street PHILADELPHIA, PA.
