Government intervention in the past We were given arms when we arrived has always resulted in increased wages and a machine gain was set up at one and increased prices of coal. It is corner of the name. Guards were with logical to avoid this result this time. We never got them, perhaps the bosses promise is inevitable.

were unable to see them.

"The guards kept firing, but most of STOKES CAN SEE CHILDREN us hid. Then the miners blew up our pumping station. We had no water and our food supplies were in a freight ear in the hands of the miners. About surprise we put up the whitee flag. The miners poured in and we surrendered when the miners poured in and we surrendered to the application of Mark.

Coronado Ruling Opens Way to Herrin Mine to Sue

Chicago, June 23 .- For the first time since its promulgation, the recent decision of the United States Supreme Court, delivered by Chief Justice Taft, holding that organized labor unions are suable for damages attributable to them, may be invoked in the case of the mine war at Herrin, Ill. That was given yesterday as the opinion of several coalnine operators.

That double action may result Is the general opinion. First, heirs of men employed in the Southern Illinois Coal Company's strip mine. where the rioting took place, may sue to collect damages from civil authority under the Riot Act; second, owners of the mine property may invoke the recent Supreme Court decision and bring action against the United Mine Workers of Illinois, for damages caused to
