## It's a happy drink

There never was such a friendly drink as Clicquot Club Ginger Ale. You can depend upon it always. Day after day, in summer or winter, in Newport or Los Angeles, the taste never varies. It's a man's drink and a woman's. Little children love it, and it is kind to them. The fussiest people accept it gratefully and are perfectly satisfied. The good-natured, easy-going folk, who usually take anything that comes along, ask for, and often insist upon, Clicquot Club Ginger Ale. There is the secret of Clicquot popularity-they all like it.

But don't think that the happy blend, the taste of Clicquot is all. Within every dancing drop of the golden liquid is purity itself. The water from which it is made is drawn from springs in cool caverns. No ginger but real Jamaica ginger is used, no sugar or fruit juice that is not as pure as can be bought or

There are other Clicquot beverages

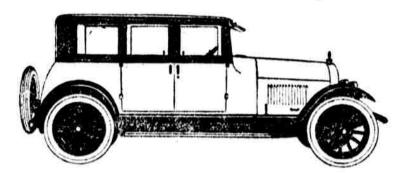

All are pure and good. Besides Ginger Ale, Clicquot makes Sarseparilla, Birch Beer, and Root Beer. We don't know a better way to tell you how pure and good these drinks are than to say they are worthy companions of Clicquot Club Ginger Ale. TWENTY-NINE years of pioneering in motor-car design and master craftsmanship help to account for the moderate price and remarkable performance of Apperson Beverly models. In all that time the Appersons have never built a car to meet a set price or made a compromise in quality or efficiency. Among folk who appreciate the economy of a fine thing bought at a conservative price, the Apperson has always ranked as a motor car of individuality and enduring value.

Seven distinctive body types. The Beverly Sedanette, shown above, carries four passengers anywhere, in luxury and distinctive heauty. Prices range from \$2620 to \$3695 at Kokomo, Indiana. Excise tax is extra. APPERSON BROS. AUTOMOBILE CO., KOKOMO, IND.
