

Only One Eastern Representative in the Collegiate Tennis Tourney Semi-Finals at Merion

EASTERN GRIP IS BEST, SAYS TILDEN

Champion Prefers It to California Style of Holding Tennis Racquet

KEEP YOUR EYE ON BALL

By WILLIAM T. TILDEN, 2d

World's Tennis Champion

Closely allied to the question of footwork in racket technique or the correct method of using the racket, I strongly advocate the Eastern grip as opposed to the Californian or Western grip.

To acquire the Eastern grip put your hands as if you were about to shake hands with some one. Then slip the handle of your racket into your hand with the head at right angles to the ground, the cross stringing perpendicular to the court.

Ground Strokes

On all ground strokes in that from the back court played off the bounce of the ball the racket face should travel along the line of the flight of the ball.

SENSATIONAL PLAY IN WESTERN GOLF

Eight Contestants, All Champions, Begin Play for Semi-Final Honors

EVANS FACES UNKNOWN

By Associated Press

Kansas City, June 29.—The fight for the semi-final positions in the Western Amateur Golf Tournament began today at the Hillcrest Club with most of the eight contestants champions of some kind and each a survivor of three days of super-golf seldom rivalled in any tournament.

It was some mighty fine tennis that the boys put up, too—the kind that makes you breathless and hang onto your seat and wish to have a loud rattle stopped because it becomes necessary to breathe.
