GIRL ATHLETE TO ESSAY HARD FEAT

Miss Marie Demke Will Try to Win Two Races on July Fourth

HAS NOTABLE RECORD

By PAUL PREP

SINCE Miss Marie Demke started on her athletic career two years ago, she has been at the top of the ladder so far as sports among the younger girls in West Philadelphia are concerned.

And now she is going to try a stunt which has been rarely, if ever, accomplished. She will attempt to win two races, both of the same distance, within a half hour's time, on two different athletic fields.

Next Tuesday, July 4, will be Independence Day. As usual, athletic games will be held in all sections of the city, and prizes will be given to the winners in various events. As is the case every year, the Sherwood Improvement Association will hold its games in Cobbs Creek Park, at Fifty-ninth street and Whittier avenue, while the Sherwood Recreation Center will do the same thing at Fifty-sixth and Christian streets.

In both meets there will be a seventy-five-yard dash for girls. One race will be held before the other. Miss Demke is to run in the first race and then jump into an automobile and be conveyed to the other field, where she will run again.

Never Defeated

Miss Marie, who resides at the home of her parents, 5856 Pentridge street, and who is scarcely sixteen years old, has a great chance of winning both races, for she has never been beaten in a running race since she entered athletic competition.

It was in the Sherwood Recreation Center's games on July 4, 1920, that Miss Demke first gained fame. She had an off-day, and only won the fifty-yard dash, ball hunt and broad jump. She wasn't in any other events.

On the thirty-first day of the same month the West Philadelphia High School girls again captured a winning record in three events. The girls from the Sherwood Recreation Center met those from the Kingessing Recreation Center that day. Miss Marie won the soccer ball throw, broad jump and 50-yard dash.

Three more wins were chalked up to the little dark-haired girl's credit August 7, when she captured the same events and also was a member of the winning shuttle relay team. The Waterview Recreation Center was the opponent that afternoon.

The West Philadelphia High School holds games for the girls near the close of the June term each year. On June 15, 1921, the freshmen met the sophomores at the Strawberry & Clothier field. Sixty-third and Walnut streets. The youthful Miss Demke, then a freshman, was the shining light of the afternoon, and won more points than any other lassie present. She was awarded a "W" by the school athletic directors.

Is Good Swimmer

This year the girls of the Philadelphia public high schools had their first aquatic track and field meet. It was held on Northeast Field, Twenty-ninth and Clearfield streets. In this, too, Miss Demke participated, and won many points when the West Philadelphia High School held its games on the Strawberry & Clothier field this year.

Miss Marie isn't only a terra firma athlete; she also is quite successful in aquatic sports. More than once she has given exhibitions in diving and swimming, and is a member of the Philadelphia swim club.

Besides all this she is a fancy dancer. She can toe-dance remarkably well. But the best part of all is that the younger Miss Demke is a good little housewife. Her mother prides herself highly for this department of her work, and nothing is better than a fond mother's praise, as Miss Marie says herself.

GEORGE SMITH WINS BOUT WITH SHINNERS

Philly Pitcher Finishes on Long End of Fight With Giant Outfielder

New York, June 30.—While spectators at the Polo Grounds yesterday were intent on the ball game between the Phillies and the New York Giants a fistie engagement, in which no ring rules were adhered to, was staged under the grandstands.

George Smith, the lanky Phillie hurler, and Ralph Shiners, the Giant substitute outfielder, were the participants in the fistie engagement, and from all reports the Quaker City player finished on the long end.

The battle dates back exactly two months, for in Philadelphia, on April 29, while George Smith was twirling for the Phillies, Shiners, playing regularly for the Giants, came to bat in the third inning, and Smith "beated" him. Shiners had to retire from the game, and since that time his hitting has been a regular feature of the game. He no longer holds a regular outfield berth with McGraw's team.

Yesterday Wrightstone battled for Smith in the eighth inning, and while George was on his way to the dressing rooms several players of the Giants are said to have made ugly remarks to the pitcher. Shiners was among the number, and the battle under the stands followed.

No details of the engagement could be obtained with the exception that one of Smith's punches caught Shiners on the chin and he went down for a short count. John McGraw, the Giants' leader, is said to have entered the scrap when he saw his player on the losing end of the bout, but last night "Jawn" said he acted only as a peacemaker.

APPLEHANS' ERROR GIVES MIQUEL WIN

German Forgets to Strap Feet to Pedals—Frenchman Gains Laurels

39 1/2 MILES IN HOUR

FORGETFULNESS, caused by over-exhaustion, cost Willie Applehans, of Germany, the "All Nations" hour motor-paced race at the Point Breeze Velodrome last night and his misdeed enabled petit Jules Miquel, flying the colors of La Belle France, to capture the laurels.

In defeating four other bikers representing as many different countries, Miquel, paced by Eddie Root, of Rhode Island, covered a distance of thirty-nine miles three laps and 110 yards.

Applehans' mistake occurred on the thirty-second mile when, in changing bikes after getting a puncture, he forgot to strap his feet to the pedals and, while he continued to remain in the lead, he was unable to hold the pace. He couldn't keep up behind his motor-partner, Jimmy Hunter, and Miquel passed him, the Frenchman holding the lead from then until the finish.

By Half-Mile

A distance of half a mile, with Frank Anderson, paced by Norman Anderson, both Danes, a mile and a half behind the German, Colombatto coming in third, covering 34 1-3 miles, and Percy Lawrence, American, fifth, being forced to retire after the sixteenth mile owing to tire trouble.

Colombatto, who took the lead at the start, gave way to Applehans on the seventh mile when the Italian temporarily lost his pace in trying to lap Lawrence. Thereafter, Colombatto sprinted in flurries, but he was unable to keep up a steady grind, owing to the fact that his gear was entirely too large.

For his race next Thursday night, in which he will be kept by the National championships at Newark last night, Applehans, Miquel, Victor Linart, of Belgium, and Clarence Carman, American, in the fifty-mile Golden Wheel, the jury announced today, being forced to retire after the sixteenth mile owing to tire trouble.

Six thousand fans turned out for last night's bike contest, and they were thrilled with numerous changes in the leadership during the hour race. At different times Colombatto, Applehans, Miquel and Anderson were out in front.

Chango Face

Another feature that sent the crowd into a frenzy was the spectacle of Applehans changing pacemaker, from Otto Miller, of Brooklyn, to Hunter, on the nineteenth mile, while the German was speeding around the pits at a clip close to forty miles an hour.

Because Bobby Walhour and Francisco were unable to keep their one-mile match race here last night, as a result they will ride against each other on the local track next Thursday night.

Frank Harris, flying the colors of Philadelphia, was the winner in the Class B professional two-mile lap race, scoring a total of thirty-three points. Jake Smith, of Elmwood, came in for second honors, with a total of twenty-nine points. George Gergely, twenty-three, were third and fourth, respectively.

JACK DEMPSEY ACCEPTS HARRY WILLS' CHALLENGE

Principals Soon to Meet to Settle Details of Title Bout

New York, June 30.—First steps in negotiations which it is believed eventually will bring Jack Dempsey and Harry Wills, Negro pugilist, into the ring for a titular match for the heavyweight crown, were taken here when Dempsey formally accepted Wills' challenge.

This acceptance was announced by the New York State Boxing Commission. This body officially acknowledged receipt of the challenge and deposit of \$2500 and later issued a proclamation stating that, unless Dempsey, before July 10, accepted under reasonable conditions, his title would be declared forfeit as far as New York State boxing territory was involved.

In accepting the challenge, Dempsey, through his manager, Jack Kearns, requested that a conference between the principals be held soon, so that conditions governing the proposed bout might be considered.

No date for this conference was mentioned in the statement issued by the Boxing Commission, but it is understood the managers of the two heavyweights will meet and arrange the necessary preliminary details within the next week or ten days.

It is also doubtful whether the pugilists actually expect to meet inside of twelve months.
