POLICE RING EXPOSE HAMILTON THREAT

Demoted Lieutenant Says He Will Show 'Inside Workings' of the Department

PLEADS 'GUILTY' TO CHARGE

Andrew T. Hamilton, who is fighting his demotion from police lieutenant to patrolman, asserted today he will bring to light some of the inside workings of

the Police Bureau.

Hamilton gained a delay until next
Thursday, when arraigned today before
the Civil Service Trial Board on a
charge of insubordination. He pleaded
"guilty" to the insubordination charge. but explained while he would not report for duty as a patrolman he would report as a lientenant.

"I have witnesses who know the inside workings of the Police Department offer testimons for me said. "Personally I have no desire to remain in the Police Department, but

tion it. Woodraff, prevoling, and Superintendent Mills then had a share pur over over the delay when Mills re-Wasslead said by but a letter George D. Porter, former Direct Public Safety, commencing Het me un efficient nolles officer. M

We should also said there was no question about the good service given by Hatutten from 1901 until the present Yes, I realize that, said the de-e of pollecamp, that I must go out the world and make my living and less I am eleuted of this charge it

be said I was dismissed for a gray Mr. Wombuff then asked Assistant Tempest, of the Public Safety Department, the same operation he had put to Mills. Mr. Tempest said the

service would not suffer by a As the former Bentenant left the hearing room he was joined by Mills and Tempest, who slapped him on the back, Hamilton returned the friendly salute. The board heard testimony against Patro man Robert D. Wise, a Negro. charged with neglect of duty

Emanuel Feinstein, an insurance col-ctor, said he was robbed June 26 at Twenty-second and Bolton street, he five Negroes and that Wise would not go to his aid. Wise denied the charge. The case was held under advisement.

MRS. LUCY WILSON

Principal Tells Educators What South Philadelphia High Is Doing for Girls

WORLD CONGRESS PLANNED

Boston, July 6 .- Ideals which guide the faculty of the South Philadelphia High School for Girls in building superb Education Association. Plans for a world conference on edu-cation to be held in 1923 are well under

way. Augustus C. Thomas, State Superintendent of Schools of Augusta, wins for him many friends, who leave verds of praise for the man who "has a smile for everybody, from the man with a Rolls-Royce to the man with a Foreign Relations of that body. said: "A large percentage of teachers in American public schools have neither Courses in newspaper reading in the schools of the country were advocated in an address by O. S. Rice, supervisor of school libraries in Madison, Wis.

Puntl, his paper said, now spend considerable dime on such subjects as algebra. "which they will never use after they leave school," but it is more important that time should be given to newspaper reading so that pupils may newspaper rending so that pupils may gain a knowledge of how to read parseparating what is real news and who

s of real value from what is not. Equal Chance for All Girls

Mrs. Wilson said; Girls has been this principle: To give to every one of our children, regardportunity to function as a high-minded, open-minded, practical school citizen, truly democratic in spirit, equally at ease with her superiors and her inferiors, intent on getting and on giving children and to help them to know themselves. To this end, (a) As much as possible, the home room teacher keeps her girls through the four years.

i the home room the teacher help iem practice thrift and to bank their avings; to give, systematically and ntelligently; to understand and prace good manners and good morals, that As much as possible, each teacher comes in contact with the girls, not only in the home room and in the class room, but also in some form of definite extracurricular netivity. Every girl in the school has the opportunity to take part, within school time, in a social club, ic: We use all the time of one teacher and half of the time of another in visiting the homes of the children.

Stimulate to Greater Effort

"Second. We have tried to give the children every opportunity to express themselves. To this end: (a) In the classrooms we have not only actually socialized the recitations without stability. ocialized the recitations without stulti-lying machinery, but we are making a ane use of dramatization, problems and he wasn't normal, projects, and (b) whenever it has been Mrs. Ward, w projects, and the whenever it has been Mrs. Ward, wife of the accused worth while we have effectively social- whose testimeny also was made public

aken us six years to arrive at this just rule, but we much intellectual pabulum as she can digest and assimilate. We have tried to stimulate our children to greater effort. First, by frequent public com-mendations, usually of groups, rather than individual; second, by publicly awarding the school letter for superior IN ROLE OF SAFE-BLOWER DELAY IN RECEIVING FORMS scholarship, as well as athletic provess third, by public initiation of those who Fnilure of the Philadelphia school service and leadership, had become members of our Torch Chapter of the

Ready to Forgive as Long as Husband and Girl Were Repentant

SECRECY PLANS FAILED

Grand Rapids, Mich., July 6 .- So long as "Mel" Trotter, the well-known evangelist, appeared to be repentant over his alleged "affair" with Miss Miss Florence Moody, his private secretary, mother of the "mission love baby," Mrs. Trotter stood ready to shield her husband and the penitent Magdalene from the breath of scandal, it developed yesterday when further correspondence between the mission head and his wife was introduced in Mrs Trotter's suit for separate maintenance
Mrs. Trotter volunteered to she'ter Miss Moody in her own home for a time, then spirit her away to a se-questered spot along the Wis-abickon Creek, in Philadelphia. But her careful plans were disrupted by circun

the semaphore and dashes across the street against traffic; to say nothing of the driver who disregards "no left-hand turns."

But McManus just smiles.

"It's a lota fun, just livin'," he said, a slight suspicion of a wrinkle appearing on the bridge of his nose, "an' the things you see standing here affect to do, to smile," he said, "You all day long. People scowl like as don't have to step an' figure it all dry long. People scowl like as if their toast had been burnt, and they of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble. I was to take the girl of the trouble.

don't have to stop an' figure it all out, jest let it he second nature. Sure get so mad sometimes if they nearly people do doubt things, but I might be a dumb hell, to, if I were trying to do the same thing.

Good-naturel lines crinkle about his eyes as he smiles, because smiling with him is just not a question of moving the lips. His nose wrinkles a bit across This act of Mrs. Trotter proved the coup de grace to the last hope of reconciliation in the Trotter household.
