The Thought of the Unknown Buyer

Every Kissel workman feels a sense of true obligation to the man or woman who buys the car he helps to build.

He has been trained to work with the thought of the Unknown Buyer uppermost in his mind—he thinks of this buyer as a real individual, whose comfort, safety and satisfaction depend on the skill and thoroughness with which his work is done.

The first time you take the wheel of a Kissel Custom-Built Six, you sense the difference brought about by this idea of building each car as if for a special order.

Check over one by one the qualities you expect in the car of your choice, then see how surely Kissel has provided them, with a finish and refinement that go even beyond your expectations...

The car awaits your inspection. NEW TOURING - \$1885 De Luxe Tourster De Luxe Sedan - \$3075
