Shreveport Golfer 3 Under Par on Homeward Nine—Leads With 216 for 54

HUTCHISON SHOOTS A 34

Glencoe, Ill., July 15.—William Melhorn, of Shreveport, with 30-37-72 for his third round, gained a total of 216 for fifty-four holes in the national open golf final today, and took the lead at that point.

John Black, who had just started, would have to shoot a 73 to maintain his lead at the three-quarter pole. Melhorn missed several putts on the first nine, but broke par by three strokes on the second half.

Jock Hutchison, under a cloudless sky and on a turf in excellent condition, shot splendid golf this morning in an effort to recover lost strokes.

Hutchison, who yesterday turned in a total of 152 for thirty-six holes, twenty strokes over the figures of John Black, the California Scot, who had 142 for the leading score, went out on his first round today in 34, which is par. This gave him a total of 180 for forty-five holes.

With any kind of luck Hutchison would have been several strokes under par on the outward journey. Three times twelve-foot putts for birdies rimmed the cup on Jack, keeping his score at par.

Nearly every one of Jack's shots today was perfect, a 190-yard spoon to ten feet from the cup on the eighth drawing unusual applause. His only trouble came on the short second, which he drove into a trap, dubbed the first one at an out, but put the next dead to the pin for a four, one over par. He offset this with a nice birdie on the next hole.

His card: 4 4 4 4 5 4 4 3—31 Hutchison today: 4 4 4 4 5 4 4 3—31 Hutchison today: 4 4 4 4 5 4 4 3—31

Baron Takes 40

Scores were high among the early starters, reaching the turn on the first nine, Gene Sarazen, Pittsburgh, who tied with Walter Hagen, 145, for low third yesterday, turned in 40 for his first nine, while Melhorn, who was second in yesterday's totals, had a 39 for the first quarter today.

Leo Diegel, New Orleans, par was hitting nicely at the start, his 36 being only two over, while Melhorn, who was second in yesterday's totals, had a 39 for the first quarter today.

Five Hole Scores

Jack Hutchison, Shreveport, 34; W. Melhorn, Shreveport, 37; Gene Sarazen, Pittsburgh, 41; J. F. Farrell, Quaker Bridge, N. Y., 36; Tom Kerrigan, New York, 38; Tom McLaughlin, Philadelphia, 41; Gene Sarazen, Pittsburgh, 40; John Moran, Dallas, 41; John Moran, Dallas, 41.

If Black comes through today in the final hole of the championship contest, it will be his first victory in other than a sectional tournament.

He has won the sectional tournament, when he asked for his card, he was told he was not on the entry lists. It developed that he had neglected to pay his entry fee, but he dug up \$5 and was permitted to play.

In-and-Out Golf

Houston's golf, as a whole, was the best in the morning, when he had 40 strokes, but nearly every one of the stars had one bad nine, with the result that many totals were high, where they had been low. Record-breaking birdies for the home tip.

For the home tip, the Houstoners, Abe Mitchell and George Duncan, played erratic golf, and Mitchell now had a record score of 40 on one hole, while Walter Hagen scored 34-34-48 in the first with a forty on his first nine in the afternoon. He was followed fairly well, Bobby Jones was brilliant at times, but had at other times, while Jock Hutchison ruined two fine cards with a 42 on his first morning nine and a 41 on the first afternoon nine.

On the first nine holes, the ones that caused all the trouble, is 34.

Hutchison's card was made through a splendid 48 in the morning, when he made almost impossible recoveries after rather bad iron work. In the afternoon his recoveries were not so good and he bore a heavy burden several birdies in his cards, most of them being the result of perfect pitches from bad lies.

His and bunkers, on the first nine in the afternoon was the result of off-color golf with almost every club on one time or another. First the putter went wrong, then he looked a drive or two and followed with a series of birdies. He pulled together on the final nine, but the damage had been done.

Leaders at the end of the first thirty-six holes finished in the following order: W.
