# **IN** ATLANTIC CITY

**Activity** of Federal Dry Agents to Extend Through New Jersey and New York, It Is Said

#### THIRTY ARRESTS AT SHORE

al Dispatch to Evening Public Ledger Atlantic City, July 19 .- "The Fedral activity in Atlantic City is but the beginning of a movement to extend through New Jersey and in sections of New York.

This was asserted here this afterneon by E. B. Henson, assistant to John B. Appleby, chief of division No. 2, which includes the two States. The clean-up will not stop in At-

be one of the wettest spots in the State.
The Government means business and
there will be no trifling in sincere efforts to make New Jersey and New
York as dry as is physically possible. The office of United States Commis-

sioner John E. Iszard is the busiest place on Absecon Island roday. Defendants are drifting in in ones and twos in an-answer to warrants following yesterday's sensational series of raids. Thirty two out of thirty-five search and seizure warrants proved productive, names of the places visited are not tainable until buil is entered before Commissioner Iszard.

Sam II. Congre, catef of the prelit-bition field forces of New Jorsey, asserts that there have been more than thirty arrests so far and that by nightfall between fifty and sixty persons will be taken into custody. The hearings for pleas and furnishing bonds will be for pleas and furnishing bonds will be set for days which are convenient to the defendants and to the attorneys which may be employed.
