STATE POLICE END RIOTING IN BUFFALO

Police Also Increase Protection to Car Crews After Troopers Arrive

SETTLEMENT THOUGHT NEAR

By a Staff Correspondent
Buffalo, July 21.—Acting upon the request of Sheriff William F. Wadlow, of Erie County, Governor Miller has quartered a troop of State Constabulary in an armory and has 160 men in reserve at Batavia, N. Y., to guard the Philadelphia men who are here to run the International Railway System during the strike.

As a result there is a lull in the rioting. The presence of State forces has also spurred Mayor Frank N. Schwab and the police department to increase protection to the crews operating a dozen lines of the system. Police following trolley cars in motorcars and carrying shotguns have disengaged the rioters.

It is now believed the strike will end soon, although no overtures toward a settlement have been made by the 2800 men who are out.

Sheriff Wadlow said today that after the strike began and before any resumption of service had been attempted, Mayor Schwab had sent for him. The Sheriff, who was a member of Congress from a Buffalo district, had no objection to Mayor Miller's nomination of Philadelphia friends of Mine. Mayor of Philadelphia, and the former treasurer of the Mayor's office, than the latter said:

"Sheriff, I don't want any State troops in Buffalo during this strike, and I won't have any outside interference. I am the supreme police power in Buffalo, and your business only concerns the county outside of Buffalo. If any trouble comes up, I shall handle it myself."

This was before there was any suggestion of violence on mob activity.

"The best evidence that the Mayor and police could have controlled the situation here, had they desired to do so, is the result of our negotiations," continued the Sheriff. "The city has become quiet again, and I don't believe there will be any further attempts to blow up barns or mow down the men running the cars. The minute there is the State troops will take charge of the situation."

Coleman Joyce, chief counsel of the Martin Committee, and L. H. Mitten, Thomas E. Mitten, are here from Philadelphia assisting in handling the situation.

Herbert G. Talley, president of the International Railway, said that if no police protection were furnished the entire system would soon be in operation again.

KU KLUX KLAN THREATENS CANDIDATE FOR SENATOR

Missourian Doesn't Care to Get Coat of Tar and Feathers, He Says
St. Louis, Mo., July 21.—(By A. P.)—Robert L. Young, of St. Joseph, candidate for the Democratic nomination for United States Senator, in a letter made public today, said he had received notice from the Ku Klux Klan to remove a campaign advertisement which he had contracted for insertion in the Jewish Record, a local Hebrew language newspaper, because "the Jew is after the almighty dollar and to hell with the country."

Fred Weismann, attorney for the newspaper, made public the letter which Young wrote to H. D. White, advertising representative of the paper, in explanation of his refusal to fulfill the contract.

An excerpt from the letter read:

"I have always been very friendly to the Jewish people and am yet, I am no moral coward, but I do not care to get a coat of tar and feathers."

Young has filed against Young to collect money due it under the contract.

At Union, Mo., William Sacks, of St. Louis, candidate for the Republican nomination for United States Senator, in an address declared that "the people have prohibition today mainly because they elected to office pussy-whipping candidates who would take no stand on the wet and dry question."

It is now believed the strike will end soon, although no overtures toward a settlement have been made by the 2800 men who are out.
