Four persons drowned when bathing in nearby waters yesterday. Fifty were rescued from drowning by life guards.

Samuel Platt, twenty-five years old, 1938 East Moyamensing avenue, was drowned early last night in the lake at Blackwood, N. J., when his canoe tipped over.

Others swam to his rescue, and three doctors worked for half an hour trying to revive him, but failed.

Jane Fitzgerald, fourteen years old, 1323 South Twenty-second street, is in Brewer's Hospital, Woodbury, as a result of a near-drowning yesterday in Almonesson Lake, near Blackwood, N. J. She was seized with cramps when she went in bathing after a hearty meal. She had gone down twice when pulled from the water by other bathers.

George Slow, Jr., a thirteen-year-old Negro, was drowned in Gardner's Basin, near Atlantic City, shortly after noon yesterday.

#### BABY KILLED IN CARRIAGE

Parents Pick Berries When Horse Takes Fright

Mr. and Mrs. Charles Kilner, of Parkview avenue, Willow Grove, went on a berry-picking expedition yesterday, taking their three-month-old son, Frank W., along.

Near Fitzwater town and Welsh roads, according to the police, the parents halted their horse and got out of the carriage to pick berries, leaving the baby on the seat.

The horse became frightened, broke its fastenings and ran away, the result being a collision with the automobile of Dr. W. Huber, of Glenside. The motor car was standing in front of a house which the doctor had just entered. He hurried out and found the carriage upside down.

When the carriage was righted the baby was found dead.

The parents arrived at the scene of the collision a few minutes after the crash.

On the Perkiomen, about five miles from Norristown, is the new Y. W. C. A. camp, called Providence Manor. Here come school girls, business girls and girls in industry in relays of a dozen or more to sample the lately feminized sports of baseball, swimming and high climbing.

The camp is in two cottages at the very rim of the creek. Nearby is a barn in which is building a bath that will be put to divers (no offense) use.

The second story of this building will be a dormitory with quarters for some fifteen girls. The camp has collected a number of notables; among them Miss Dorothy Lightfoot, a swimming and diving champion from Kensington? The camp supervisor is Miss Mary Johns; the director Miss Ethel Slough. About sixty-five girls can be taken care of at the camp, and this quota is filled every week-end.

### WHISKY FOUND IN AUTO

Machine Moves So Slowly the Police Become Suspicious

The slow progress of two men in an automobile and another with a heavy grip late Saturday night near Tenth and Buttonwood streets excited the suspicions of two patrolmen of Captain Van Horn's "clean-up squad."

The policemen approached the trio, snuffed a few times and peeped within the machine. Then they arrested the men, who said they were George Brantley, Eighteenth street north of Poplar; Joseph Kleinbard, Fifty-third street below Springfield avenue, and Louis Edelstein, Ninth and Jackson streets. Brantley, it is alleged, was carrying a suitcase in which the police say they found three gallons of liquor. Five gallons more were found in the machine

### Did Brandeis Rule the White House by Secret Telephone?

You will not believe the amazing and far-reaching measures taken by Ford in his ridiculous attack upon the Jews—see Norman Hapgood's "Henry Ford's Jew-Mania—III" for complete exposure of the attempts
