WOMAN HEADS NEW FILM COMPANY OUT ON COAST

By Constance Palmer. Hollywood, Calif. An interesting development in the last few weeks is the formation of a producing company by a woman, with a woman star, Ray Carroll, who, as Carol Kaneval, used to write scenarios for various studios, has organized, financed and is managing the Ray Carroll Productions, starting Helen Jerome Eddy. They are making their first picture, 'Love's Confession of Age,' at the Robertson-Cole Studios, Harrison Ford is Miss Eddy's leading man and William A. Seiter is director. Mr. Seiter formerly served in a similar capacity with Doris May in her long series of R.C. comedies.

ATLANTIC GASOLINE. "You can always depend on ATLANTIC". Why do the great majority of gasoline dealers in the State prefer to handle Atlantic? The answer, most likely: "You can DEPEND on Atlantic—two ways: In performance and in supply." Atlantic is dependable in performance because its range is wide, its efficiency high and its quality uniform. You know at all times just what Atlantic can do and that it can be relied upon to do it. And when the tank runs low! You know you can always get Atlantic. No need to switch. No necessity for changing your carburetor's diet. For there isn't a highway nor scarcely a byway on which there's more than "a few gallons' distance between pumps." ATLANTIC GASOLINE Puts Pep in Your Motor
