Gretna Troops to Hold Formal

The interior of St. Peter's Episcopal, Ornaments of the church, pipes of the Review to Mark Visit of Church, Third and Pine streets, is great organ and decorations on the pulting a new coat of paint. A crew of nine painters have been a coat of this week. Not a small portion Sproul Tomorrow

climbing about a maze of scaffolding of time was consumed in the erection which reaches to the roof, every day for the last two and a half weeks, retouch-brings the painters within arms' length RAPID FIRING ON RANGE ing the walls and the ceilings which of all the surfaces of the interior.

Camp Duffy, Mt. Greina, Pa., Aug. 2.-Major General William G. Price, Jr., division commander of the Penncalled sylvania National Guard, in command to which William Penn in 1687 had here, today delivered an address to the troops detailing his experiences as a member of the commission sent to The member of the commission sent to France to locate positions for memorials to the Twenty-eighth Pennsylvania Di-vision's achievements in the World

As far as possible the painters for the first service in St. Peter's was built in 1761 on a lot given by Thomas and Richard Penn. The ceiling is being done in ivory, the walls in a light tan, the pews in white and the Rev. Robert J. McFetridge pation in Germany, made an informal with the rest of the service in the service in the rest of the service in the service in the rest of the service in the service in the rest of the service in the service in the rest of the service in the pation in Germany, made an informal inspection of the troops today. He follows close on the heels of General Price, who assumed command of the division yesterday.

The coming of General Hay marks the arrival of the third general officer of note within the last forty-eight hours, he having been preceded by Major General Charles J. Bailey, commander of the Third Corps Area, who left camp last night.

VIOLINIST ELOPES AIR BOAT SCRAPPED IN \$1000 BAIL EACH The various arrivals have kept the entire encampment on the qui vive, and it is expected that the division will appear at its best in the formal review before Governor Sproul tomorrow. Finishing touches were put on equipment and camp sites today that all may be ready for the State Executive. Field maneuvers of the cavalry are

making long days for the soldiers. An all-day road march into the hills to the southeast of the camp site is on today's schedule for the 103d, in command of Special Dispatch to Evening Public Ledger Colonel George C, Thayer. Camp will be pitched at noon, followed by an hour's rest for dinner.

The 600 Philadeiphians of the 111th Infantry will swing into the rapid-fire part of the program on the range today, opening up at 200 yards and shift. ing later to the 500-yard, the target being the silhouette of a man's head and shoulders, which appears and disap-pears, as would enemy troops firing

Camp Pritchett, Tobyhanna, Pa., The first and third battalions Aug. 2. of the 108th Field Artillery, of Philadelphia, had their final practice today on the ranges with the 155's. The second battalion was out on tactient problems, which are being worked out for big maneuvers.
