MOVIEGRAMS OF THE WEEK

Walthall Has Big Part in Stanley Film—"Bigamist" at Aldine

THERE seems to be an inevitable cycle through which all film events bound to move, and, more espe-ally, in which film actors are always and to remain.

Seven years ago when D. W. Grif-5th's "Birth of a Natien" was stonishing everybody profoundly, fans 5th of the control of And now, showing at the Stanley lext week, is a film with a Southern setting (later than the Civil War.

however), with a Ku Klux Klan movement to provide thrills as in "The Birth of a Nation," and Henry B. Walthall in the first important part had in a long time. THE picture is "One Clear Call," and

the setting is a quiet little Southern lown whose peace and serenity is disturbed by the arrival of a mysterious roman in the local hospital, and the love affair, fraught with exciting congequences, between her and the local property of the local peace. equences, between her and the leading Dhysician. Walthall's role the's the heavy in

this one) is that of the proprietor of a rather unsavory dance-hall resort and the husband of the mysterious woman. Milton Sills played the doctor, and the cast also includes Irene Rich, Claire Windsor (who is one of the younger school who seems to be forging alead to something worth while). Joseph Dowling (our old friend, "The Miracle Man" himself, this time seen as a Man himself, this time seen as a Southern gentleman of the old school), ittle Stanley Goethals, Doris Pawn (who has been a leading body herself not infrequently), Donald MacDonald, Shannon Day (the "Follies" girl who shows so much promise in screen work). Fred Kelsey, Nick Cogley. Kelsey, Albert MacQuarrie and

The reappearance of the dependable Walthall causes natural wonder that he ver dropped from the limelight. "The Birth of a Nation" was not his only treat success: in fact, a great many think he has done far greater things.

Do you remember him as Edgar Allan Poe in an Essanay feature entitled "The Raven," but really more a story of the poet's life than a picturization of the one poem? It was a film marked by terribly unreal settings, and much uninspired and inartistic "spiritual adornment," but it showed Walthall in

all his histrionic greatness.

Mr. Walthall's screen biographies do not make any mention of his two lbsen portrayals, but both of them were dignised, and worthy greations. Ghosts, quite naturally not popular with the screen "fancties," who demand tereotyped much and money-business. was as grim and fascinating as the Stage play, and his 'Pillars of Society' was a poignant picture of a conscience-troubled soul. In a quite different direction, but ex-

emplifying the man's versatility, there was 'The Misleading Lady,' an E-canay production in which pretty Edna Mayo (a Philadelphia girl by the way, and another whose virtual disappear-ance from the screen is to be lamented).
