night on the North Phils' home dia-

Kensington has scored triumphs over number of big teams, but all have

been on the home grounds. Last night

they dusted off the Phils in conclusive

style by the count of 5 to 3. Pitcher

Bradley, who toiled on the hill for the

Churchmen, was the big factor in his

With the totals knotted at the end of the sixth, he took things into his own hands in the seventh and did the

own names in the seventh and did the unusual for a pitcher by socking one of Fox's curves for the circuit, scoring a

runner and practically deciding the

The winners failed to get as many hits as the losers, but they were more timely, and the North Phils failed to

lend their twirler their usual brand

of support and were charged with three errors. The Phils will no doubt meet

their opponents again and claim that in a five-game series they would cop the honors, which is another way of seying they would win three straight.

Beifield A. A. dropped a pitchers' battle to the Lincoln Glants. 4 to 1, in ten innings. The New Yorkers scored three runs in the extra inning on a triple, an infield roller. a hit batsman and a grounder that got away from the Beifield shortstop. Williams, the visiting hurler, was in wonderful form and fanned twenty-three of the Beifield batsmen and yielded only four hits. Blacks who was nicked for six safeties, lost through leose fielding.

Chickie Passon made it two straight from the Bacharach Glants when he turned back the colored lads, 5 to 1, and let them down with tires measily hits. The score was tied until the last half of the eighth, when the Sphas heavy artillery cut loose, and triples by Goldblatt and Mouradian, together with a single by Kravitz and a double by Passon counted four runs and broke up the old ball game. Umpire Rokus chased First Baseman Cummings in the second inning.

Fionchurst is the first team to defeat Ocean City. The shore lads, with Tarr on the hill, were beaten, 4 to 3, The State burler was opposed by Dougherty, and both were found for nine hits. Ebert, Rudolph and Mullin starred for Stonehurst, and McGraw, with four hits, was the shining light for Ocean City.

St. Barnahas journeyed to the Pencovd grounds, at Ridge avenue and Park Drive, and handed the Philadelphia Police nine a stoll defeat. Jackle Jordan was on the hill for Ed Lusk and the Kensington Lad was never in better form. He fanned eleven of the policemen and set them down with three hits. Potter, with four safeties, including a two-bagger, was the star for St. Parnabas.

Im Bohner and his Shanahan athletes recorded their fifth straight triumph at Forty-eighth and Brown streets in triumph at Forty-eighth and Brown streets in triuming J. & J. Dobson, 6 to 1. First Baseman Carlin was sent to the hill by the weavers, and he went along in good style until the eighth, when the Shanahan artillery uncoried a single, four doubles and a sacrifice and ruined the works.

After winning fifteen straight, Lansdale

went down to defeat at the hands of the south Phils, 6 to 2. Zopf, the downtowners' pitching sensation, was on the hill, and let the visitors down with three centered hits. Opposed to him was Bill Durbin, and he was found for fifteen healthy wallops. Spaiding and Peploski featured in the hitting and fielding for the home team, while Wood and Koehler excelled for the Montgomery Courty Leaguers.

Stenton Field Cinb regained its winning stride in turning back the St. Thomas Club. of Wilmington, S to 7. Bobby Wilson opnosed Briscoo and both hurlers were socked good and plenty, the former for a dozen bingles and the latter for thirteen. Howell was the star for Stenton, with two singles and a double, and it was his two-bagger in the seventh that started a four-run rally that gave the Mount Airy team the decision.

Priors behind Pitcher Stout accounted for a 0-to-4 defeat sustained by McCall Post in the game with Thornton-Fuller at Forty-ninth and Spruce streets. The legion lads outhit their opponents, but seven misplays behind the McCall hurler paved the way for a number of the nine runs scored by the motorists.

The fame of the Packard Twin-Six has spread year by year as the range and excellence of its abilities have become recognized. Today, after seven years of increasing production, it enjoys a popular esteem beyond all rivals.

Its chief attraction is not alone the difference in power, or behavior, or the smooth ease that marks all it does; but also the strength of fine metals and the painstaking craftsmanship that insure these qualities to it for a long period of years.
