Distributing Agency Plans to Keep Busy for Long Period to Restore Shortage

MAY AVOID DRASTIC MOVE York was that the vote on accepting

By Associated Press

Washington, Aug. 12 -While high topes for early settlement of the coal strikes are entertained by the Administration, averting any necessity of re-sorting to the "drastic action" by the Government repeatedly hinted at. resuits of the prolonged stoppage in pro-duction are expected to keep the tiov-ernment coal distributing machinery busy for a long period.

It was predicted officially for the ernment information indicates an existing shortage of 30,000,000 tons, which could not be made up within a year's time. The most recent reports on bituminous production, it was added thou that with full operations restored bicaried could not be made up within a year's president.

The most recent reports on bituminous production, it was added, bituminous production, it was added, show that with full operations restored blended by T be Witt Cuyler, the the normal surplus could not be in conds' really to the President reached to remove them to their destinations,

while the rest of the 95,000 mine weekers in Hilmois would be required to
continue on strike. My position is that
I mill not sign any kind of an agreement that does not put all of the IIlines mines to week at the sum time.

PROTESTS JOINT WAR CLAIM COMMISSION

Alabama Senator Wants All-American Body to Settle Cases

Indianapolia, Aug. 12.— Charles M. Schwab, chairman of the Bethlehan Steel Corporation, announced yesteday that he would take a personal interest in the operation of the Stur Motorcar Company of America, lac, which he and his associates recently purchased from the Guaranty Trust Company of New York. Mr. Schwab said the present officers of the company would continue in office. Price cut, effective immediately, were also as nounced by Mr. Schwab. Washington, Aug. 12.—(By A. P.)— Formal protest against the action of the Administration in concluding an agreement with the German Government for establishment of a joint com-nission to pass on American war cleins against Germany was made today by Senator Underwood, of Alabama, Democratic Senate leader, in a letter to Chairman Cummins, of the Judiciary Sub-Commiftee. The sub-committee has before it Senator Underwood's bill

for an all-American commission to adjudicate war claims.

Senator Underwood, in his letter, challenged the contention of the State Department and White House that precedents existed for the Administration course, and added: "No President, to my knowledge, has

ever entered into such an agreement providing for the adjudication of claims arising out of war. Perhaps this is due to the fact that the Presidents. with but a few nominal exceptions, have not entered into an agreement for the a calamity that the United States is not today in a healthy condition itself." he said. "Where there are not necessarily part and parcel with the strikes there are grave industrial prob-treaty of peace which, of course, under lems, many of them traceable directly to our Constitution, must be submitted to business paralysis due to tariff uncer- the Senate for its advice and ratification."
