

Strawbridge & Clothier Announce for Monday

This Beautiful Upholstered Suit Worthy to Grace the Finest Home

Tapestry Covered **\$145**

Velour Covered **\$150**

One of the Many Reasons Why the Semi-Annual Furniture Sale is Surpassing All Records

A comfortable wing design, distinctively graceful in line—so different from the bulkiness of upholstered Furniture of the past. Made to the same specifications which govern every piece of Furniture in the Sale—worthy to grace the finest home. Three handsome pieces—full-size Davenport and two Chairs, with deep seats and loose cushions. A Suit which, even here, could not be bought under ordinary conditions for less than one-third more—in the Sale at \$145 for the three pieces covered with fine tapestry, or \$150 if covered with high-grade velour.

A value typical of the many matchless opportunities. All kinds of good Furniture for every room in the house are included in this Sale, which comprises our entire stock at appreciable reductions and great special purchases at savings of one-third to one-half.
