

BRIDGE GOES SHORE REJOICES

Trade Marks End of Tolls on Road Connecting Atlantic City With Ocean City

LONG DISPUTE

By a Staff Correspondent
Ocean City, Aug. 15.—At noon today the toll bridge connecting Ocean City with Atlantic City was free forever to the motorists.

The passing of the toll feature of the plan brought about a celebration of the residents of Ocean City, and the hundreds of motorists who make their summer resort there.

Promptly at noon, amid the din from horns, whistles and the shriek of motors from Ocean City's fire apparatus, a procession of more than 1000 decorated motorists moved slowly over the bridge from Ninth street with a car bearing the seal of the Trenton Highway Commission in the lead.

At 30 years of age I have put in 3 successful years of advertising salesmanship in the local newspaper field, backed by 5 years of commercial selling on the road. I wish to connect with a permanent proposition where I can put a big job across and grow.

At ceremonies on the steps of City Hall at 10 o'clock, the parade, Treasurer Massey, of the Bridge Commission, turned over to Colonel Walter H. Whitney, chairman, the documents of incorporation, which forever make the bridge free from tolls.

Colonel Whitney in turn spoke of the stormy history of the bridge project, calling for Woodrow Wilson, as Governor, had vetoed the original bill and how the two houses of the Legislature had almost immediately passed it over Mr. Wilson's veto.

Statistics for the bridge show that in a period of eight years 817,000 passenger autos, 81,000 motortrucks, 16,353 motorcycles and 44,830 other vehicles have crossed "the highway by the sea."

PLANS BLOOD TEST IN WHITNEY CASE

Miss Fontaine Hopes to Prove Child's Paternity With Aid of Science

BABY ON MAROONED TRAIN

By Associated Press
Los Angeles, Aug. 15.—Eva Burrows Fontaine, dancer, has announced here she would ask a court order to compel Cornelius Vanderbilt Whitney to submit to a comparison blood test in her attempt to prove he is the father of her nineteen-month-old son, according to a story the Los Angeles Examiner published today.

Miss Fontaine's announcement followed a conference with her mother, Mrs. Florence Fontaine, now in Los Angeles. Miss Fontaine stated she had received information from her attorneys they had filed at Saratoga Springs her \$1,000,000 damage action against Whitney, alleging breach of promise to marry her.

Miss Fontaine's child was one of the passengers arriving Sunday on a delayed Santa Fe train. The baby became ill because of the desert heat and the lack of water and proper food, according to its grandmother, Mrs. Florence Fontaine, who has it in charge.
