WHAT had she done? Why had she done it? The smoking revolver in her hand glittered evilly in the moonlight. Far away the roar of a motor drummed in the darkness. A flare on the horizon merged into a shaft of blinding light that searched the heavens bur brr brr two white eyes glared at her closer and closer a huge monster, gleaming black, thundered toward her and stopped with a shrill screech beside her. Two muffled forms swooped out of the hot, throbbing mass, grabbed her, and threw her brutally into the cavernous back seat there was a roar, a tremendous leap, a rush (To be continued indefinitely)

Ice Cream is as good as the cream that makes it

The highest quality of fruits, nuts and flavoring extracts are available to any ice cream manufacturer.

Needless to say, SUPPLEE ICE CREAM contains fruits. nuts, berries and flavors of unquestioned quality.

But the Cream is the most important ingredient. Rich Cream must be used to make rich, smooth ice cream.

SUPPLEE ICE CREAM

is made from GOLD MEDAL CREAM.

Philadelphia knows its richness. The great quantity the city uses every day-and the medals won at the great expositions—prove its Quality.

GOLD MEDAL CREAM is used in SUPPLEE ICE CREAM alone. This cream and the many flavors mixed with it, make an Ice Cream-

Full-powered

Keen observers-motor-truck and motor-car owners whose selection of gasoline is based on long-period test and carefully kept records-know the meaning of "full-powered," not only from the standpoint of power, but in the matter of fuel economy and efficiency range.

They are good leaders to follow. Most of them use ATLANTIC Gasoline.

They've discovered that Atlantic is more than just "good" gasoline; that it is RIGHT gasoline—a fuel which has vigor as well as liveliness; which combines the volatility for action with the stability for indomitable piston-driving force.

Full-powered-perfectly balanced! A gasoline with a uniform "chain of boiling points" that not only assures sure-fire ignition and comp' etc combustion, but gives it the range for maximu" afficiency under every speed, load and temperature it's Atlantic!
