May Have to Quit Home in
Place He Owns

TELLS OF HIS ADVANCES
"I want my husband back," said Mrs. Alice T. Caldwell, when asked today if a reconciliation were possible between her and Alexander A. Caldwell, salesman of a North Broad street automobile concern.

WINSLOW BILL, PROVIDING FOR
INQUIRY INTO COAL MEASURE
Reported to House

BORAH ACTION DELAYED
Washington, Aug. 23.—After first voting to give preference to the Bland coal investigation bill, providing for a commission on which miners and operators would be represented, the House Rules Committee reversed itself today and reported out the Winslow administration bill for a commission composed entirely of impartial representatives of the public.

by Steel Wage Rise

Prosperity Heralded
by Steel Wage Rise
Continued from Page One
will have a beneficial effect upon the industrial situation generally. The coal strike and the railroad strike were caused primarily by the high wages in the coal and railroad industries and by the demand to get wages down so that prices could be decreased. It was being asserted that prosperity could not come back without a liquidation of the wages of workers in these two cases.

STRAYED IN WEST

PHILADELPHIA GIRL-BRIDE
STRAYED IN WEST
A letter from Mrs. Beatrice Schlegel, seventeen years old, to her mother, saying she loved her husband and was happily married, but was getting tired of Minneapolis, was followed by a telegram from the police of that city in which it was stated that the girl had deserted there and was being held by the police.
