Mother, Twelve Years Older Than Child, Tells Girls to Forget Marriage

FACES FUTURE WITH HOPE

Bristol, Va., Aug. 24.— Marriage was never meant for a girl like me and I hope that other lovesick girls will profit by my experience. Sometimes I profit by my experience. Sometimes think I have made a big mistake, one then I figure if I had not been married.

I would not have my boy, and he's worth more than all the gold in the world. He's everything to me.

Here are the ciews of Mrs. Laura

Ham Prices

Ham - Boiled, Baked (Hot or Cold), Broiled or Fried-is one of the most appetizing and savory foods that the market offers.

The wholesale price of ham is fifteen to twenty per cent lower than it was six weeks ago.

The U.S. Dept. of Agriculture in an announcement dated June 19, 1922, in referring to vitamins found in meat said, "Various cuts of meat were tried, and in every instance pork was found to be relatively rich in vitamins. Pork tenderloin, fresh ham, smoked ham, and pressed boiled ham were tested and the results were much the same with all of them."

Swift's Premium Hams are always of a uniform high standard of quality, regardless of price. A special cure of sugar and salt, and smoking over hardwood fires impart a flavor that has made "Premium" Ham the world's standard.

Summer time is ham time. Insist on having "Swift's Premium"-see the blue identification tag.
