Many Games on Semi-Pro Schedule

ST. BARNABAS WINS FIFTEENTH IN ROW

Eddie Lusk's Athletes Keep Up Long Streak by Beating Wilmington Club Again

SPHAS K. O. FLEISHER

For the second time in as many days the St. Barnabas baseball team defeated the St. Thomas Club, of Wilmington, Del., in a semi-pro game at Sixty-fifth street and Elmwood avenue last evening. The final score was 8 to 4.

The St. Thomas Club traveled to this city with a craving to revenge itself for the defeat administered by Eddie Lusk's athletes the day before. But two big innings by the home club dashed the hopes of the visitors, and they were forced to bow to another defeat.

The game also marked the fifteenth straight win for St. Barnabas, in which Leo Johnston played an important role. He hit a home run in the third inning with two runners on base, and a minute later another run was scored. After that there never was any doubt as to which team would be the ultimate winner.

"Pot" Elliott, the Saints' big first baseman, started a rally in the fifth, which also produced four runs.

Paul Harper was hit hard by the visiting team, but his teammates supplied him with excellent support. Briscoe allowed the home team eleven bingles.

Sphas Beat Fleisher

The South Philadelphia Hebrew Association made a trip to Twenty-sixth and Reed streets, and when they made their departure, after a great game, it was with an 8-to-6 victory over the Fleisher Yarners.

Harry Passon started in the box for the visitors, but he got wild near the end of the game. Manager Gottlieb then made a wise move by sending Miller to the mound to relieve him.

Hockenbury, served them up for Fleisher, but was away off form. He allowed thirteen hits. However, he made a hit and scored a run for the losing nine.

A big rally in the sixth inning, which also was the last, enabled the Lincoln Giants to come from behind and defeat Eddie Bennis' Germantown Club, at Chelten and Magnolia avenues, 7 to 3. Five runs were scored by the colored crew in the last inning.

Shanahan Is Victor

Shanahan nosed out Camden City in a slugfest at Forty-eighth and Brown streets, 9 to 8.

Boone, Camden's first sacker, hit for the circuit over the center-field fence in the opening inning. It was the first time this season that the feat was accomplished. Rapp, also of Camden City, made a homer in the fourth. Hard hitting marked the game throughout.

Notaseme was returned the victor over the Lighthouse Club at 1 and Venango streets, 10 to 7, in a game featured by three home runs.

M'AVOY WILL COACH AGAIN AT DELAWARE

Drexel Tutor Will Have Host of Assistants to Whip Team in Shape

Newark, Del., Aug. 25.—William J. McAvoy, who returns to the University of Delaware as coach for the coming year after coaching for two years at Drexel Institute, Philadelphia, is making plans to take a squad of twenty-five Delaware football candidates to Red Point on the Northeast River on September 8 for ten days training before the university opens on September 21. McAvoy, who served as coach at Delaware for ten years previous to the war, succeeds H. Burton Shipley.

Announcement has also been made by the Athletic Council of the university that W. D. Twing, who played on the big Rutgers College team of 1914 and 1915, has been engaged to assist Coach McAvoy in football this year as line coach. Twing since leaving Rutgers as a student was back for several years as assistant coach at his alma mater. His experience, both as a player and coach, should make him a valuable assistant to McAvoy.

The Athletic Council of the university is co-operating and doing every thing possible to assist Coach McAvoy in turning out a winner this year. In addition to Twing as assistant coach, the council has announced that a number of former Delaware stars have volunteered to come to Newark whenever possible to help get the team in shape.

Among them are "Dick" and "Bill" Cann, two crack ends of former years; "Ernie" Wilson, for several years one of the best tackles Delaware ever had; "Bill" Stewart and "Alec" Crothers, both star centers, and Harry Loose, "Sank" McCaughan and "Mike" Fidance, star backfield men of a few years ago. With this squad assisting McAvoy will have plenty of coaching material.

The preliminary training trip is necessary because of the fact that the university opens on September 21, while the first game is with St. Joseph's College, of Philadelphia, on September 30, in Newark. After ten days on Red Point Coach McAvoy will bring the squad back to Newark and continue training on Frazer Field.

Bright Beats Brandt

New York, Aug. 25.—Harvey Bright, 127 pounds, won a decision over Dutch Brandt, 126, in the twelve-round feature match at the Broadway Exhibition Club in Brooklyn last night. It was a fast and fast bout from the start. Brandt received a cut over the left eye in the tenth round, which bled profusely until the bout was over.

DENNEHY'S HOMER BEATS NORTH PHILS

Beloff Shades Volz in Keen Hurling Duel Won by Philadelphia Terminal

REA HITS FOR CIRCUIT

In one of the most sensational freezes staged at Fourth and Wingohocking streets this year the North Phillies bowed to Dick Smith's Philadelphia Terminal nine last night, 4 to 3.

Each side made five hits and also had a pair of errors.

Tommy Volz and Beloff were the opposing moundsmen. Both were hit for home runs. The first was made by Dennehy, the railroaders' outfielder, in the fourth inning. The other four-base clout was delivered by Johnny Rea, of the home team, in the seventh round.

Both nines went scoreless for the first three innings. Two men were on base in the fourth inning when Dennehy caught one of Beloff's shoots and sent it far and away to right field for a homer.

This lead stood until the last half of the seventh when Rea kicked in with his four-base wallop with a man on base. The railroaders added what proved to be the winning tally in the eighth inning on three successive hits.

Reifsnyder's clan put across a tally in the last half of the same inning and brought the score to 4-3.

It started to grow dark at the end of the eighth round and the Terminal nine with a one-run lead did everything possible to delay the game. The umpire had to warn them time and again in the last inning for killing time.

Clouser the third baseman of the winners, placed a spotlight on the home plate in the final round and held up the game so long that he was chased out of the game.

Volz displayed wonderful form in subduing the home team in its last turn at the bat. Two pinch-hitters were inserted by Manager Reifsnyder and Tommy put all he had on the sphere and fanned both. He followed this with three straight strikes on Johnny Rea.

Roque Champion Retains Title

Norwich, Conn., Aug. 25.—Gerald Brassill, of this city, the 1921 roque champion for the Eastern division of the American Roque Association, with all games played, won the championship for the division here yesterday with eleven won and one lost. His only lost game went to C. G. Williams, of Washington, D. C., left hander, who shut out Brassill, 32 to 0. George Huott, of Chicopee Falls, is second in standing, closely followed by C. G. Williams.

FLEISHER YARNERS TO PLAY CHESTER

Semi-Pro Rivals Will Battle at Twenty-fifth and Reed Streets Tonight

ROYAL STARS AT SHANAHAN

SEMI-PRO baseball games are scheduled for every section of the city tonight, and the numerous all-star attractions will be more than sufficient to induce the twilight enthusiasts to miss the evening meal.

Bris Lord and his Chester Club will invade Twenty-sixth and Reed streets for the express purpose of taking Fleisher over the hurdles. The same teams met in Chester a few nights ago and Lefty Nolan and his athletes were returned the winners. Lord's bunch, therefore, will be out for revenge and the game should be close throughout.

The fans at Shetzline Park, Broad and Bigler streets, are due for a real treat. Billy Whitman and his bunch, from Bridesburg, will invade the South Phils' stronghold. Both teams have been setting a rapid pace, and the game will be worth while watching.

The Mervine Pros will be entertained by the Columbia C. C. at Front and Porter streets. Columbia has been setting a nice pace lately, so the Pros have their work cut out for them.

Stars at Shanahan

"Jim" Bonner's Shanahan stick-smiths will endeavor to bat out a win over the Philadelphia Royal Stars, one of the best colored clubs in the city, on the home lot, at Forty-eighth and Brown streets. Bonner's athletes are in the midst of another winning streak and are confident of winning. The colored lads, though, are clever tossers, and will not go down before giving a real battle.

Monotype travels to Forty-ninth and Spruce streets to meet McCall Post, American Legion. The ex-service team has been playing great ball lately, and the single-letter outfit will have to step fast to win.

Kaywood, which at last has found its winning stride, will tackle the St. Callistus team, on the latter's field, Sixty-fifth street and Lebanon avenue. The Saints are confident of stopping Kaywood, but the downtowners have other ideas.

Lits' Play Stenton

"Barney" Slaughter's representatives from Lit Brothers will try to take Stenton into camp at Phil-Ellena and Musgrave streets. Stenton has been on a rampage during the last few days, and will be prepared to put the invaders to flight.

Belfield will play host to the Lincoln Giants, a fast colored team, at Chelten avenue and Chew street. The Giants look to be the best club, but Belfield will make things interesting.

PLAY FINAL GAME FOR P. R. R. OFFICE TITLE

Traffic Meets Local Freight for Baseball Crown Today

The final baseball game in the series for the Pennsylvania Railroad General Office League will be played on the P. R. R. Y. M. C. A. grounds, Forty-fourth street and Parkside avenue, this afternoon. The team representing the Traffic Department will line-up against that of the Auditor of Local Freight Traffic.

The winner of today's game will be presented with the A. C. Shand Cup, a perpetual trophy which was first put up for competition several years ago. The donor of the cup will toss out the first ball.

The new Goodyear Cross-Rib Tread Cord

A Popular-Priced Cord Tire Without a Rival

The new Goodyear Cross-Rib Tread Cord Tire is built with genuine high-grade long-staple cotton as a foundation.

It is liberally oversize—the 4½-inch tire, for example, measuring nearly 5 inches.

The deep, clean-cut, cog-like pattern of its tread affords excellent traction even in snow and mud, engaging the road like a cogwheel.

The scientific distribution of rubber in this tread—the wide center rib and the semi-flat contour—gives a thick, broad surface that is exceedingly slow to wear.

This new tire is a genuine Goodyear through and through—in design, in material, in construction.

It costs less to buy than the net price you are asked to pay for many "long discount" tires of unknown reputation and value.

Why be satisfied with less than this efficient tire can give—why take a chance on an unknown make?

Compare these prices with NET prices you are asked to pay for "long discount" tires
