CORTEYOU ADMITS LEAK;

Jurist Issues Angry Statement
After Miscarriage of Some
of His Plans

Judge Monaghan, foe of the drug
king, charged this afternoon that members
of the police force are working as
"spies" for the lawbreakers.

Director Corteyou, in a brief
interview after he had conferred with the
judge, said that he did not know to a
certainty whether any of his men had
been guilty of espionage, but intended
to find out without delay.

Judge Monaghan made it plain, as
did Director Corteyou, that no shades
of doubt attaches to either Captain
Van Horn or Lieutenant Lee, both of
whom have splendid reputations in
police circles.

Doesn't blame Van Horn or Lee
for the leak, but says he will issue
warrants for those who have
been named in the warrants, said
Corteyou.

as they went away, early in August
and New Berlinville, a typical Penn-
sylvania German village, strung along
the State highway which leads out of
the city toward the Lehigh County line,
is seething again with wonderment.
