There will be no ringers, or in other words the contests will be played on their merits. The managers of the four clubs that will battle for the title in this section met last evening, and while the details were not hard to fathom it was almost midnight when the schedule and other matters were finally decided

only one club asked the privilege of using a new man. He is a member of the Bacharach Giants, but the managers outckly ruled otherwise and the same players that have appeared all season will be seen in action. No importing of outside talent with these teams who are willing to stand or fall on their records. Teams That Play

Four clubs are in the competition. They are Hilldele with grounds in Darby; Madison Stars, who will play on the Logan grounds at Eighteenth and Rockland streets; Richmond Glants, who will use the Fleisher field at Twenty-sixth and Reed streets, and the Delisted Park. the Philadelphia Royal Stars, with home grounds at Forty-eighth and alnut streets.
The clubs will meet in a home-and-

home series, with the exception of the Richmond Giants, who will play only the Madisons and Royal Stars at Twenthe Madisons and Royal Stars at I weaty-sixth and Reed streets, having made arrangements with Ed Bolden to play both games with Hilldale in Darby.
Richmond has a team that should Richmond has a team that should make Hilldale hustle all the way. They

have defeated the Darbyites in the only two games played and early in the spring turned back the Royal Stars in five of six starts in the South. Hilldale Beats Royals

Hilldale has the edge on the Royal Stars, having won both games between these teams this season. The Madisons have not been seen in action with any of their series' opponents, but boast an enviable record. They will return here on Mouday after a successful tour of New England and Canada.

The colored teams have arranged several of the games on Saturday and this is a wise move, especially from a financial standpoint. They have also Sections A and B would have profited The schedule :

Sphas Blank South Phils

Chickie Passon is the idel of down-town today-or to be specific, a pertion of downtown. The twenty-two-year-old burler o the South Philly Hebrews turned the South Phillies back again last night

Saturday. Both games were played at Shetz-line Park, but last night's affair carried more interest, as it was one of the P. B. A. elimination contests. The

after having performed the feat on

Boore was 4 to 0.

It marked the third successive shutcut for the Sphas this week. On Monday Krepps blanked Fleisher 2-0 with one hit. Wildwood was heaten 8-0 with five hirs on Tuesday, Miller hurling, and the South Phils were set down last night with two bingles.

That the multiple is interested in the That the public is interested in the series was evidenced by the 12,000

fans that wended their way into Shetz-line Park. Herb Steen pitched fair ball for the losers, only yielding a sin-gle hit in the ninth after allowing three in the first for a total of four. Goldblatt Stars

"Label" Goldblatt's all-round work featured, and he was roundly cheered in the seventh on a sensational catch off the bat of Sykes in short right. Land-

choice fielding stunts.

The Sphas scored three in the first.
Chambers singled and scored on Burman's double. He advanced to third on Goldblat's hit. On a double steal, the three to each Goldblat's at second the throw to catch Goldblatt at second was wild and Burman counted and Label went to third and counted later on a squeeze play by Barol.

The final counter came in the fourth. Barol walked, stole second, went to third on Mouradian's out and registered on a wild pitch. In the second Peploski singled for the South Phils and in the fifth Steen doubled, but was caught at the plate when he tried to score from second on Lai's grounder.

Terminal Tripped

Jim Bonner's Shanahan club ad-Philadelphia section by turning back the Philly Terminal. The railroaders had Eddie Ralston back in the game, his fine having been paid after his week's suspension by President Cart-

Curry was on the hill for Shanahan against Eddie Barless. The latter ylelded less hits, but many of the Terminal bingles were wasted and they were outplayed by their opponents. The setre was tied at the end of the third at 3-all, but Shanahan scored twice in the fifth and sixth, while Ter-In the out-of-town series Chester and American Chain battled to a 4-4 deadlock at Chester. Lefty Yorke opposed Bill Pierson on the hill. At the start of the ninth Chain led, 4 to 2. Ander-on filed out. Lord walked. Anderson on flied out. Lord walked. Anderson tollowed suit and the bases were loaded. Maguire, pinch-hitting for Pierson, singled, scoring Lord, and when Baldwin was hit by a pitched ball the tying run was forced across the plate.

Dobson, which also has a clean slate, will oppose Billy Whitman's Bridesburg bunch. The weavers have several players under protest and claim they have a right to use them.
