# Tomorrow Brings Back All the Great Opportunities of the September Sales

## It Seems Impossible to Get Far in Life Without Censure

Some people seem to have been born to criticize, and "against criticism," says the great Goethe, "there is no defense."

It may be for good to be talked about adversely. It should make us watchful and careful. It is hard for men to understand each other. All of us are more or less disposed to be critics of people's doings, manners and business undertakings.

If we are wrong in our ways it will be a help to be set right, and we should be thankful for constructive criticism.

If we are clearly right in our plans and practices, and if our friends would be kind enough to let us know if we are, the effect will be to double our single track and put on better locomotives.

Individual girdles, so rich in color, so striking, so distinctive, that one creates a dress around them, which is just what Paris

designers are doing.

One gorgeous wide - band girdle with a wide hanging panel is full of color-rhinestones, cut steel, red, blue and dark pearllike beads are used in elaborate

## HERE Is the New Short Fur Coat for Winter

It will be one of the prevailing fur modes. Particularly the new Balkan blouse—a short coat that blouses over a deep hip band.

This model appears in black mole, with cuffs and the new high-standing collar of ermine, both collar and cuffs edged with wisps of monkey fur.

It appears again in silky black caracul collared and cuffed with kolinsky; and again in gray moleskin with squirrel.

Caracul in all its phases is used—at its loveliest in a short coat of all white, and another of platinum gray

The new models, short and long, will be arriving in the Fur Salons almost daily now. (Second Floor)

## Introducing the Not-**Quite-Finished Tailored** Suit for Women

Women who have trouble in finding ready-made suits to fit them will be enthusiastic over it.

It is made by our own skilled men tailors, and is practically completed, except that sleeves are only basted in, and the coat lining not yet in.

This makes it possible to complete the suit to order, fitting it to the customer in every individual detail. Collar, sleeves and everything are made exactly right before the lining is

For this careful fitting no charge is made. In other words, the suit is sent home completed to order, for the ordinary price of a ready-made suit.

## It's Fall—And a Man's Hat Is the "Newtone," \$6

Holidays are over and men are back at their desks again -great reunion times and time to put away the Summer

Men are wearing Fall hats right now and the men who wear smart ones are picking the "Newtone." Different in color-in fact, it is not really in colors at

all, for the browns aren't so brown, nor the grays so gray. The brims are a little wider, more curved than before and all in all the new hat is a man's idea of what it ought to be.
