Latest "Bride" of Screen Star Will Help Him in His Legal Action

EXPLAINS STAYING IN U. S.

New York, Sept. 5.—The latest mystery of the Valentino-Hudnut adventures turned out to be no mystery at all, although all the earmarks of a rousing tale were attendant, even to the telegram received at the eleventh hour.

Last Saturday Miss Winifred Hudnut, stepdaughter of the perfume manufacturer, was looked at Mrs. Winifred O'Shaughnessy, to sail for England on the Olympic. She was to have remained abroad until the spring, when Rudolph Valentino, the screen star, would have won his final decree of divorce, making him free to remarry.

The four, Miss Hudnut, Mr. Valentino and Mrs. O'Shaughnessy, had been photographed on board the White Star liner. There was even a snapshot of Miss Hudnut waving a handkerchief in farewell to the Statue of Liberty. Suddenly, a half hour before sailing time, she received a telegram, which canceled her trip and left the steamer for the Hotel Biltmore, where she will stop indefinitely.

The telegram may have come from the office of Arthur Butler Graham, Valentino's lawyer in his suit for infringement of contract by the Famous Players-Lasky Corporation. The lawyer admitted that some of his associates
