 150 ScotTissue Towels (worth .50)  
 \$5.00

ALL FOR \$3

And now—at last, an improved, modern towel service for modern offices. A sanitary, economical service every office can afford.

Own your own complete outfit—a fine plate-glass mirror; an attractive nickel-plated towel rack and a carton of 150 ScotTissue Towels—all for \$3.00, the special introductory price.

Your office supplies' dealer, stationer, druggist or department store can furnish this combination set and supply you regularly with ScotTissue Towels as you may require.

You'll realize the advantages of having ScotTissue Towels in your office when you know how easy they are to use—how efficient, convenient, economical and

safe. You never question the absolute safety of a ScotTissue Towel—never wonder who used it last or whose towel it was washed with last week.

You know that by using ScotTissue you get a fresh, clean, white, absorbent towel for every washing. A towel hygienically clean—never touched by other hands. A towel that makes "clean hands in business" possible and pleasant. These towels come neatly packed in a sanitary, dustproof carton—for 50 cents. The low cost of three towels for a cent (and even less by the case) makes it the most economical service in the long run.
