**Drive of Pinchot Workers to Es**tablish Record, Shows in Early Hours

MARK IS GOOD 170,000

Mrs. Barclay H. Warburton, vice chairman of the Republican State Committee, received optimistic reports of the number of women registering. In numerous divisions they exceeded the men, although the quotas may balance more evenly this evening when men

return from work.

It was reported that the Vare orpoll-tax receipts this year to voters requiring such certificates. The poll tox is fifty cents. Division leaders were quietly informed that no money will come from headquarters for poll-tax

purposes.

Registration of voters for November election began this morning in every polling place in Philadelphia and in every other city in Pennsylvania in every other city in Pennsylvania in preparation for the general State-wide election on November 7.

An interesting feature of the Repub-An interesting feature of the Republican registration this year is that it is being promoted mainly by the women and by Gifford Pinchot, Republican nominee for Governor. Organization leaders in Philadelphia announced, however, that they were having their workers get out the "regular" registration because it would be good for tration because it would be good for the primaries next year when candi-dates for Mayor to succeed Mayor Moore will be nominated. Likewise in many districts in the State, where there are hot contests for legislative and con-cressional seats, rival Democratic and Republican leaders are working for a

Pinchot Workers Are Busy

So far as the Republican registration is concerned, it is conceded that the bulk of the effort is being put forth by the Pinchot workers. The coming election will stage a contest for the gubernatorial chair between Pinchot and John A. McSparran, the Democratic nominee. Pinchot confidently expects to be overwhelmingly elected, but he wants a big vote so that the Leg-islature will realize that the people are back of the Governor.

Campaign buttons urging a vote in November for the straight Republican ticket were distributed in the city today. At the top of the emblems is the phrase, "Vote straight." Across the button is "Republican X." and at the bottom the words "Support the Presi-

large registration is that all previous registrations are void. To vote in the registrations are void. To vote in the coming election, every one must be coming election, every one must be lilower and Federal Fuel Commissioner H. B. Spencer.

Situation Grows More Critical Hourly With Turks Only Thirty Miles Away

BRITISH REMOVE NATIONALS

By Associated Press Smyrna, Sept. 7.—The situation in Smyrna is growing more critical hourly. The advance guards of the Turkish Nationalist forces are less than thirty miles from the city and their cavalry is reported to be making ready for a dash to the coast. Greek troops from Thrace, with Venezelist officers, have arrived here and are organizing reservised here and are organizing re-

The British are removing some of their nationals in merchantmen, poeting destroyers to cover their embarkation. The French ond Italians have landed marines and have called on their male nationals to serve as a volunteer

the campaign are estimated in the Angora advices at 50,000. Of these, 15,000 represent prisoners and the remainder killed and wounded.

Angora also reports the capture of an entire Greek army corps of the southern group, which was encircled in the region of Salihli and surrendered. The cities of Balikesri and Sandirdhi have been occupied by the Nationalists.

Smyrna will soon be the only re-maining outlet for the stream of refu-gees fleeing before the approach of the enemy, as the Greeks are evacuating the districts of Bairaimich, Ez-Ine, Aiva-jik and Bigha, on the Asiatic side of the Dardanelles, and the transfer of civilians to the European side of the Conference Called at Hoover's straits is progressing.

straits is progressing.

These districts comprise the entire Mount Ida peninsula, from Panderma on the Sea of Marmora to Aivadjik on the Aegean, which had been strongly organized, with the important city of Bigha as the capital.

The Greek Government is determined not to evacuate Smyrna, War Minister Theotokis assured a deputation of officers which awaited upon him on his FEDERAL CHIEFS TO ATTEND

MAKERS OF DRUGS

'If They Observed Law, Backbone of Illicit Trade Would Break," Dr. Bricker Says

MONAGHAN IS PRAISED

Proof that great quantities of drugs. in part manufactured in Philadelphia, are being diverted from legitimate channels into the hands of the "drug ring," will be laid before Judge Monaghan today by Dr. Charles E. Bricker, police surgeon, who has handled all the drug cases brought to Central Station.

"If the manufacturers were forced to beerve the law,' said Dr. Bricker, "the backbone of the drug business could be broken in twenty-four hours.

"One of the large pharmaceutical houses can manufacture in one day sufficient narcotic drugs to meet the legitimate needs of all the physicians of the country for months.

One Legitimate Outlet "Under the law the manufacturers have only one legitimate outlet for the narcotles they make—that is the proper use of these poisons for medical pur-

"Drugs seized in large quantities, bearing the original labels of the manu-facturers prove that a large proportion

facturers prove that a large proportion of the drugs comes from America.

"The drugmskers contend that the supply of narcotics in the hands of the drug ring comes from abroad. Let them show what becomes of the stuff they manufacture.

"The Federal narcotic law as it exists 'passes the buck' to the physician. He needs narcotics only occasionally. But when he needs a soothing drug to be given to relieve great pain, he can get only six grains, and then perhaps may be delayed for several days while he is waiting for a permit to replenish he is waiting for a permit to replenish his supply. The manufacturers on the other hand are compelled only to keep ordinary records of the drugs they

Crimes Are Fewer According to Dr. Bricker, the crusade

Mrs. Jennie C. Van Ness, Former Jersey Assemblywoman,

According to Dr. Bricker, the crusade carried on by Judge Monaghan has been fruitful of a great improvement in crime conditions in the city.

"Captain Van Horn, who is in charge of the police end of the crusade, tells me that crimes of violence, such as hold-ups and burglaries, have been cut down 50 per cent since the crusade began," said Dr. Bricker.

"Your drig user who crayes his poi-

"Your drug user who craves his poi-son and lacks money to buy it will commit hold-ups, murders or any crime you can name to get narcotics. All the habitual users of drugs who can be found have been arrested and put where they cannot harm the public. Therefore these crimes have fallen off, But political school which is beinb conducted under the direction of the New Jersey Momen's Republican Club.

Gathered in the labby of the V. M. Gathered in the lobby of the Y. M. C. A. before the meeting began, the women talked in small groups of twos and threes. "And, really when the cook left, I just—" "How can we afford it?" "I told Mary she simply couldn't go out again tonight," scraps of news and gossip floating through the air.

But one the meeting was called to order by Mrs. Mary Lee Lippincott. member of the Camden Board of Eduif the present improvement is to be maintained, it will be absolutely nec-essary to force the manufacturers of these drugs to cut down the amounts

Seventeen Suspects Held

Eighteen men and women, mostly Negroes, rounded up last night by Fed-eral agents and vice squad men, were arraigned in Central Station today. Two men and two women were held in \$4000 bail each, charged with illegal possession of drugs. The others were held in \$1000 bail each as addicts, except one woman, who was discharged.

Those held in the heavier bail were
