TOPPY GOLF IN PHILMONT MATCH

Duncan and Mitchell Beat Taylor and Herd With Best Ball of 67

MATCH AT MERION NEXT

Age and youth clashed yesterday on the Philmont fairways, and youth emerged triumphant.

Age wasn't crushed or disgraced or anything like that. In spite of the weight of more than half a century, both John H. Taylor and Sandy Herd played the sort of golf that one might expect of such masters of form. But they were faced with the task of defeating two of the finest of the younger English professionals.

George Duncan and Abe Mitchell defeated them 3 and 2 in the afternoon match, which isn't any overwhelming triumph. Mitchell is the longest driver—or one of the longest, at any rate—that ever played the braw and bonny game, while Duncan rates second only to Taylor in the use of the mashie.

All of them sock a terrifically long ball from the tee, and gasps of amazement gurgled up from the gallery at frequent intervals. The spectators were treated to a rare taste of the game as it is played in England.

All that Duncan and Mitchell had to do to win the match was have a best ball of 67, three better than par. Their card is worth a second glance:

Out	4	3	4	2	4	4	4	3	3	—32
In	4	3	4	3	5	4	4	4	3	—35—67

The morning match was a Scotch foursome, which Duncan and Mitchell also won, to the tune of 4 and 3. It was the afternoon battle, though, that drew the biggest gallery and the most interest.

This is the second exhibition that Jules Mastbaum has staged at Philmont, this summer.

The next big match for the English veterans will be at Merion on Friday, when they meet Francis Ouimet, former open champion of the United States, and Max Marston, amateur champion of Pennsylvania for the last two years.

The Phoenixville Country Club played its qualifying round for the club championship on Monday, and match play will begin Saturday. J. Clarence Parsons, of Phoenixville, has given a handsome trophy, known as the Parsons Cup, which will be awarded to the winner in the first eight. Prizes will also be given the winners in the other three eights, as well as the runner-up in the championship division.

Thomas B. McAvoy, Jr., won the medal in the qualifying round with an 84.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn or corn between the toes, and the calluses, without soreness or irritation.—Advt.
